"Making the Inc. 5000 for the sixth consecutive year is an incredible milestone and a reminder of just how far persistence, purpose, and a great team can take you. Ringing the Opening Bell at the Nasdaq MarketSite in Times Square, alongside so many inspiring founders, is a moment I'll never forget."

This year's Inc. 5000 recognizes a new class of companies redefining what growth looks like. From AI and advanced manufacturing to healthcare, consumer products, and professional services, these businesses are expanding their impact, creating jobs and proving that entrepreneurial ambition continues to fuel the U.S. economy. Among the 5,000 companies on the list, the median three-year revenue growth rate was 130%, and those companies have collectively added more than 627,208 jobs to the U.S. economy over the past three years.

“Every company on the Inc. 5000 has a story of perseverance, smart decision making, and a refusal to sit still,” says Mike Hofman, editor-in-chief of Inc. “Their growth reflects more than strong financial performance—it reflects creativity, resilience, and the customer focus required to build companies that make a lasting impact. We congratulate all honorees on this significant achievement.”

Inc. 5000 List Methodology

Companies on the 2026 Inc. 5000 are ranked according to

percentage revenue growth from 2022 to 2025. To qualify, companies must have been founded and generating revenue by March 31, 2022. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2025. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2022 is \$100,000; the minimum for 2025 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons.
