

Five Reliable Action Camera Manufacturers in China 2026: Innovating OEM & ODM Wearable Camera Production

Discover five trusted Chinese manufacturers delivering advanced action cameras, flexible OEM & ODM solutions, and scalable production for global brands in 2026.

CALIFORNIA, CA, UNITED STATES, August 11, 2026 /EINPresswire.com/ -- Global action camera market reached USD 6.57 billion in 2024, with China acting as the core manufacturing and export hub. [4K HD Action Camera](#) and EIS Electronic Stabilization Action Camera have become mainstream consumer demands, driving robust OEM/ODM manufacturing growth across the Pearl River Delta.

Five Manufacturers to Watch

This roundup features five mid-sized domestic manufacturers specializing in customizable wearable imaging hardware, excluding giant brands. The lineup includes Dongguan YuAoHeng Electronic Technology Co., Ltd, Shenzhen FuXin Industrial Co., Ltd, Guangdong Fumao Electronics Co., Ltd, Shenzhen Hongfeng Century Technology Co., Ltd, and Dongguan Humen Holleytang Electronics Factory.

Shenzhen FuXin Industrial Co., Ltd

Rooted in Shenzhen's mature consumer electronics cluster, the factory leverages complete local component and testing resources to mass-produce multi-scene action cameras for global wholesalers.

Guangdong Fumao Electronics Co., Ltd

Located in Zhongshan, the enterprise benefits from the integrated Pearl River Delta supply chain, delivering mass shipments of CE Certified Action Camera and FCC Certified Action Camera to cross-border brands.

Shenzhen Hongfeng Century Technology Co., Ltd

A veteran Shenzhen manufacturer with full in-house assembly lines, offering one-stop ODM customization and mature logistics support for overseas importers of action & sports camera.

Dongguan Humen Holleytang Electronics Factory

Based in Humen, Dongguan, the plant focuses on cost-effective waterproof sports cameras, well-positioned to support small-batch private label orders for outdoor retailers.

Dongguan YuAoHeng Electronic Technology Co., Ltd.

Founded in 2016, Dongguan YuAoHeng Electronic Technology Co., Ltd. specializes in the R&D, manufacturing, and sales of action cameras, smart vehicle electronics, and smart security products. Its [YUAOHENG Action Camera](#) lineup is developed for outdoor sports, photography, vehicle monitoring, and other demanding recording applications.

The company operates a 1,500-square-meter production facility with approximately 300 employees and 30 engineers, with an annual production capacity of up to 2 million units. Its products are certified to FCC, CE, and RoHS standards, with around 80% of production exported to more than 15 countries and regions across Europe, North America, Asia, and South America.

YuAoHeng provides OEM and ODM services covering product design, engineering development, testing, and mass production, enabling international buyers to customize camera functions, appearance, packaging, and related software solutions.

Diversified Product Portfolio for All Outdoor Scenarios

The YUAOHENG Action Camera portfolio covers multi-functional models including Wide-Angle Panoramic Action Camera, Touch Screen Action Camera, and Long Battery Life Action Camera solutions. Selected 4K models support WiFi Wireless Action Camera functionality, while

waterproof configurations can be paired with IP68 Dustproof Waterproof Action Camera housings and Night Vision Action Camera modules.

The product series fits mainstream outdoor scenarios, including Underwater Diving Action Camera, [Bicycle Mounted Action Camera](#), Ski Outdoor Action Camera, Vlog Handheld Action Camera, Climbing Mountaineering Action Camera, and Surfing Waterproof Action Camera applications. Built-in EIS technology helps provide stable footage during high-speed movement, meeting the needs of sports enthusiasts, travel bloggers, and industrial recording users.

Key Sourcing Advantages for Global Buyers

International brands selecting Chinese OEM partners prioritize these core strengths fully demonstrated by YuAoHeng:

- 1.Complete compliance: All finished goods are EU Compliant Action Camera with CE, FCC, RoHS credentials for smooth customs clearance.
- 2.Strong R&D capability: 30 professional engineers support customized function development such as dual-lens simultaneous recording and adjustable wide-angle lenses.
- 3.Stable mass production: 2 million annual unit capacity and strict full-process QC guarantee consistent delivery schedules.
- 4.Flexible customization: Support minor appearance tweaks, circuit development, APP cloud system adaptation and exclusive packaging OEM.

Market Insight & Industry Outlook

North America is the world's top consumer market for action cameras, with surging demand for affordable 4K EIS action & sports camera. As outdoor sports and vlogging grow globally, Pearl River Delta OEM factories with full EU Compliant Action Camera certifications will retain core supply chain advantages.

Brands and cross-border importers favor suppliers with pre-certified multi-scene camera solutions to cut overseas compliance costs. Moving forward, Night Vision Action Camera, Touch Screen Action Camera and long-battery models will become standard OEM configurations for global orders.

Dongguan YuAoHeng aims to deliver integrated one-stop ODM & OEM imaging services to build long-term partnerships with worldwide outdoor camera brands.
