

Melone Hatley, P.C. Named to the 2026 Inc. 5000 List of America's Fastest-Growing Private Companies

VIRGINIA BEACH, VA, UNITED STATES, August 11, 2026 /EINPresswire.com/ -- Inc. magazine has named Melone Hatley, P.C. to the 2026 Inc. 5000, its annual ranking of the fastest-growing private companies in America. The firm earned the No. 683 position on the list. This is the third time that the firm has made this list.

“

For us, making the Inc. 5000 list is about more than just numbers. This represents the thousands of families we have been able to help through the divorce process and sets us up to help thousands more”

Rebecca Melone, Founder and Managing Partner

For more than four decades, the Inc. 5000 has served as a benchmark of entrepreneurial success in the United States, spotlighting independent businesses that have achieved exceptional growth. Companies are ranked by percentage revenue growth over a three-year period, and honorees must be privately held, for-profit, U.S.-based, and independent. The complete list, along with company profiles, is available at www.inc.com/inc5000.

Melone Hatley, P.C. joins the list following a period of sustained expansion. Founded in Virginia in 2014, the firm now operates nine offices across Virginia, South Carolina,

Florida, and Texas, with a team of more than 40 attorneys supported by paralegals, client service coordinators, and administrative professionals. Throughout that growth, the firm has maintained its founding commitment to personalized, compassionate representation in family law and estate planning.

"For us, making the Inc. 5000 list is about more than just numbers. This truly represents the thousands of families we have been able to help through the divorce process and sets us up to help thousands more," said Rebecca Melone, Founder and Managing Partner of Melone Hatley, P.C. "When I started this firm, my vision was to build a practice where clients feel heard and supported through some of the most difficult transitions of their lives. Our growth tells me that families across four states have responded to that approach, and I am deeply grateful to the team that makes it possible every day."

"Growth at this pace does not happen by accident," said Charles Hatley, CEO of Melone Hatley, P.C. "It comes from investing in our people, holding ourselves to high standards of employee

experience, and building systems that let our attorneys do their best work. This recognition from Inc. belongs to every member of our team, and it motivates us to keep raising the bar for what clients can expect from a modern law firm."

Honorees will be celebrated at the Inc. 5000 Conference and Gala later this year, and the top companies on the list will be featured in Inc. magazine.
