

BPM Partners names deFacto the #1 rated Business Performance Management vendor

BPM Partners evaluated the leading Business Performance Management vendors across 8 key categories.

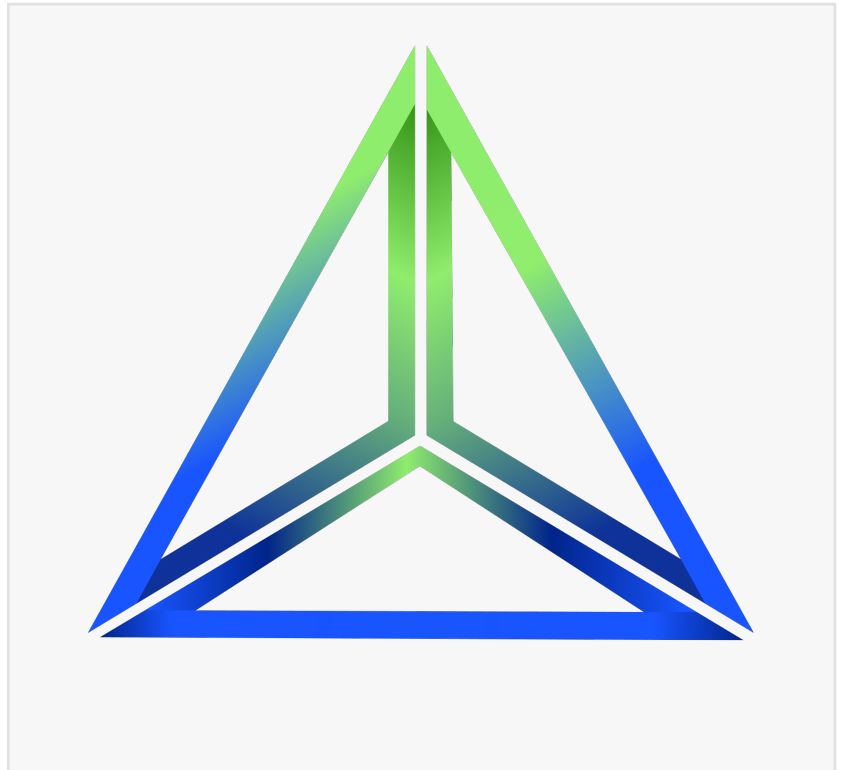

TROY, NY, UNITED STATES, August 12, 2026 /EINPresswire.com/ -- Troy, New York—August 12, 2026—[deFacto Global](#) today announced it was included in the new 2026 - 2027 AI-Powered Performance Management Vendor Landscape Matrix (VLM) produced by [BPM Partners](#), the leading independent authority on business performance management.

deFacto Global was recognized as a top-rated vendor. The matrix categories place the active Business Performance Management (BPM) vendors according to customer satisfaction with their current offerings and their relative momentum in the market.

deFacto Global received the highest customer satisfaction rating of 4.91 out of 5. It was rated as Outstanding or Excellent in all categories including Ease of Use, Operational Planning, Finance Self-Sufficiency, Budgeting and Planning, Customer Support, Financial Reporting, Performance & Scalability, and Overall Customer Satisfaction. deFacto Global was also profiled for its innovative use of Power BI as a planning tool and its AI agents.

“The VLM is an invaluable tool for anyone looking to purchase, upgrade, or replace a performance management system,” said Craig Schiff, President and CEO of BPM Partners. “We currently track more than 50 vendors that provide software to address one or more aspects of AI-powered performance management and related business intelligence. Only the most active vendors competing for and successfully delivering Integrated Business Planning (IBP)/Corporate Performance Management (CPM) solutions are included in the VLM report.”

“Our commitment to our customers’ success is demonstrated by our outstanding market-leading performance throughout the history of the VLM. We’re honored to be profiled by BPM, who
