A Licensed Direct Carrier — Not a Broker

Direct Relocation Services is a licensed direct CARRIER operating under USDOT #3000931 with Broker Authority: NONE. This distinction matters for customers evaluating reviews on platforms like Trustpilot. When customers

review Direct Relocation Services they are reviewing the actual company that picked up their belongings, transported them, and delivered them. There is no broker middleman. There is no third party carrier. The company you call is the company that shows up — and the company that earns every review.

This direct carrier model is the foundation of the consistent positive feedback reflected across the Direct Relocation Services Trustpilot rating. Customers know exactly who they are working with from the first call to the final delivery.
