

The Libman Company Launches Wonder® Spin Mop

New all-in-one mopping system transforms floors from dull to vibrant with powerful scrubbing and foot-free wringing

ARCOLA, IL, UNITED STATES, August 12, 2026

/EINPresswire.com/ -- [The Libman Company](#), a leading U.S. manufacturer of household and commercial cleaning products, has introduced the [Libman Wonder® Spin Mop](#), an advanced all-in-one floor cleaning solution designed to transform everyday cleaning into a faster, easier, and more effective experience.

The innovative system combines Libman's iconic [Wonder® Mop](#) material with a convenient spin bucket that allows users to wring out excess water using a foot-free handle based wringing mechanism. With enhanced scrubbing power and a flexible mop head that maintains its shape while gripping the floor, the Wonder® Spin Mop helps turn dull, dirty floors into vibrant, clean surfaces.

The Wonder® Spin Mop (#1857) launched at Walmart USA and Walmart Canada this summer. The product will be featured in a new Libman television commercial airing in fall 2026, highlighting the scrubbing power, ability to reach under hard-to-reach spaces such as refrigerators & the mop head gripping the floor to remove & lock dirt.

Product Features:

- Polypropylene corrosion-resistant bucket and spinning chamber designed to direct excess water back into the bucket
- Precision molded, impact-resistant lower handle made from fiberglass-reinforced nylon
- Electrostatic powder-coated steel handle with LLDPE molded hanger tip
- 12.5-inch diameter non-woven mophead with microfiber GRIPSTRIPS™ for enhanced scrubbing power
- Foot-activated spin wringing system for convenient hands-free operation

Libman's New Wonder® Spin Mop combines powerful scrubbing with foot-free wringing for an easier, more effective clean.

- No-tilt bucket handle to help prevent water from splashing out

Consumer benefits include:

- Foot-free wringing for greater stability and convenience
- Powerful “scrubbability” to lift stubborn dirt and grime
- Mop head grips the floor while maintaining its shape for more effective cleaning
- Machine-washable mophead that can be reused up to 100 times
- Safe for hard floor surfaces, including hardwood, vinyl, linoleum and more!
- Flexible mop head design allows it to reach tight spaces and hard-to-reach areas such as under refrigerators, dishwashers, furniture, tables, chairs, and bathroom fixtures.

The Wonder® Spin Mop offers an easy way for households to refresh their living spaces, bringing back the brightness and cleanliness that makes a home feel its best. The product has an MSRP of \$39.97. Refill mop heads (#1854 Wonder® Spin Mop Refill) are also be available.

About The Libman Company

The Libman Company is a family-owned company that has been making quality cleaning tools since 1896. The company manufactures products ranging from brooms and mops to specialized tools for kitchen, bathroom, and industrial cleaning. Libman proudly manufactures most of its products in the United States, including the company’s well-known Wonder® Mop.
