Embarc Advisors has been ranked on the 2026 Inc. 5000 list

SAN FRANCISCO, CA, UNITED STATES, August 11, 2026 /EINPresswire.com/ -- [Embarc Advisors](#), an M&A and strategic finance advisory firm, is excited to announce it has been ranked on the [2026 Inc. 5000 list](#), the annual list of the fastest-growing private companies in America. The recognition places Embarc among the nation's most successful independent and entrepreneurial businesses.

"When we founded Embarc Advisors, the mission was to redefine how corporate finance advisory is delivered, putting transparency, execution, and client alignment at the core," says Jay Jung, Founder & Managing Partner of Embarc Advisors. "Being named to the Inc. 5000 for the 3rd consecutive year is a reflection of the trust our clients continue to place in us, and of a team that shows up for them at every stage of their journey."

This recognition comes at a pivotal moment for Embarc, as the firm deepens its footprint across the lower middle market and sharpens its reputation among founders and finance leaders alike. Embarc has built a practice defined by rigor, responsiveness, and results, an approach that continues to resonate with the startups and middle-market companies it serves through capital raises and complex transactions.

The firm's growing list of accolades reflects that focus:

- Axial's Top 25 Lower Middle Market Investment Banks Q1 2026
- Axial Advisor 100 list (2026)

Since 2020, Embarc Advisors has built a track record advising on high-impact transactions, from early-stage funding to \$100M+ growth equity raises and M&A deals, and serves as an embedded strategic CFO team for many of its high-growth clients.
