VICTORIA, BRITISH COLUMBIA,
CANADA, August 13, 2026

[/EINPresswire.com/](https://EINPresswire.com/) -- Consumer Choice Award is proud to announce that Daily Drywall has been named the 2026 Consumer Choice Award winner in the Drywall Contractor category for Victoria. This recognition celebrates a family-owned company that is changing how people think about drywall by combining exceptional craftsmanship with luxury plaster finishes that transform ordinary walls into works of art.

When Daily Drywall was founded in 2022 by Tyler Pearson-Stephens, the vision extended far beyond drywall installation and repair. The company set out to demonstrate that walls and ceilings deserve the same level of artistry and attention as any other feature in a home. Today, Daily Drywall offers complete interior finishing services, including boarding, finishing, painting, decorative plaster, and traditional Venetian plaster, delivering seamless transformations from start to finish.

“

We believe every project deserves exceptional craftsmanship, whether it's repairing a small hole in drywall or creating a custom Venetian plaster feature wall.”

"Receiving the Consumer Choice Award is an incredible honour because it reflects the confidence our clients place in us every time they invite us into their homes," said Tyler Pearson-Stephens, Founder of Daily Drywall. "We believe

every project deserves exceptional craftsmanship, whether it's repairing a small hole in drywall or creating a custom Venetian plaster feature wall. Our goal is always to deliver finishes our clients will be proud of for years to come."

What makes Daily Drywall unique is its ability to bridge traditional craftsmanship with modern finishing techniques. While drywall has become the standard for contemporary construction, the company also specializes in luxury Venetian plaster, a centuries-old decorative finish known for its depth, texture, and timeless elegance. By offering both services under one roof, Daily Drywall helps homeowners, designers, and builders achieve interiors that are both functional and visually striking.

In just a few years, Daily Drywall has established itself among Canada's top-performing drywall contractors, earning a perfect 5-star customer rating while building a reputation for

meticulous workmanship, professionalism, and attention to detail. From small residential repairs to full-home renovations and custom luxury finishes, every project is approached with the same commitment to quality and customer satisfaction.

For Daily Drywall, every wall represents an opportunity to showcase craftsmanship. Receiving the Consumer Choice Award marks an important milestone for a young company that continues to raise expectations for what drywall and decorative plaster can achieve in modern homes.
