

Transworld Prospere Named to the Inc. 5000 List for Eighth Year

Transworld Prospere, integrated business services firm, named to Inc. 5000 for 8th time, achieving the highest growth among brokerage firms in the country.

SOUTHLAKE, TX, UNITED STATES, August 11, 2026 /EINPresswire.com/ -- [Transworld Prospere](#), the #1 Transworld Business Advisors team from the World's Largest Business Brokerage, announced today it has been recognized on the 2026 Inc. 5000 list for the eighth time. The integrated business services firm ranked #52 of all Dallas-Fort Worth businesses on the list and earned the highest growth record among brokerage firms in the country. The list is the most prestigious ranking of the nation's most successful independent and entrepreneurial businesses, recognizing companies that have achieved remarkable growth while driving innovation, creating jobs, and shaping the future of the economy.

“

This recognition is about the trust entrepreneurs place in us with the most important financial decision of their lives. Our growth comes from helping business owners maximize what they've built.”

Officer of Transworld
Prospere*

The eighth Inc. 5000 recognition reflects Transworld Prospere's sustained growth across its regional markets in Colorado, Dallas-Fort Worth, Austin, Waco, and Las Vegas, with strong momentum in North Texas leading to the company's headquarters relocation to Southlake earlier this year. Transworld Prospere has maintained its position as the top-performing team globally within the network for 10 consecutive years and has spent more than 13 years helping business owners navigate some of the most important financial decisions of their lives. Today, Transworld Prospere employs more than 110 people and has sold more than 2,000 businesses since its founding in 2012.

"Eight times on the Inc. 5000 reflects the consistency our brokers, consultants, and real estate agents deliver for business owners every single day," said Al Fialkovich, CEO and co-founder of Transworld Prospere. "This recognition is about the trust entrepreneurs place in us with the most important financial decision of their lives. Our growth comes from helping business owners maximize what they've built, and we're incredibly proud of that."

Transworld Prospere's growth is rooted in its unique approach to putting business owners' best interests first. Unlike traditional brokers who only handle the sale, Transworld Prospere is the only integrated business services firm offering business brokerage, commercial real estate, and growth consulting all under one roof, creating a seamless, full-service experience that maximizes value at every step. By working with one trusted team instead of juggling multiple advisors, owners get better outcomes. Transworld Prospere helps businesses sell successfully and talks to more than 1,500 buyers each week, with close rates six times the national average.

"Our growth is built on investing in the communities where we live and work," Fialkovich said. "Whether it's Colorado, Texas, or Nevada, we work alongside ambitious entrepreneurs who strengthen their local economies every day. Being named to the Inc. 5000 eight times motivates us to keep helping business owners get more of what they deserve. Our success is another business owner's miracle."
