

Citiguard Returns to Inc. 5000, Climbing 205 Spots in 2026 Ranking

California security firm ranks No. 3,229 nationally after 91.81% three-year growth, marking its second consecutive Inc. 5000 appearance.

LOS ANGELES, CA, UNITED STATES, August 12, 2026 /EINPresswire.com/ -- [Citiguard Inc.](#) has been named to the 2026 Inc. 5000, earning a place among America's fastest-growing private companies for the second consecutive year.

The Los Angeles-based security company ranked No. 3,229 nationally following 91.81 percent revenue growth over the three-year period measured by Inc. Citiguard also ranked No. 61 within its industry, No. 458 among California companies and No. 184 in its metropolitan area.

The Citiguard team celebrates the company's recognition on the Inc. 5000 list for the second consecutive year.

The recognition builds on Citiguard's first appearance on the Inc. 5000 in 2025, when the company ranked No. 3,434. Its 2026 placement represents a 205-position climb on the national list and reflects continued growth as the company expands its security operations across California.

“

Making the Inc. 5000 for a second consecutive year shows that our growth has been sustained and reflects the work of our people and the trust our clients place in us.”

Sami Nomair, CEO, Citiguard Inc.

“Making the Inc. 5000 once was an important milestone for us. Earning that recognition for a second consecutive year means even more because it shows that our growth has been sustained,” said Sami Nomair, CEO of Citiguard Inc. “That growth comes back to our people, the trust our clients place in us and our commitment to maintaining a high standard of service as the company continues to

expand.”

Citiguard provides professional security services for businesses, residential properties, public agencies, commercial facilities, construction sites, events and other organizations with specialized security requirements.

Its services include armed and unarmed security officers, vehicle patrol, executive protection, fire watch, event security and customized security programs developed around the needs of individual clients and properties.

As the company has grown, Citiguard has continued investing in the operational side of its business, including officer training, field supervision, client communication and the infrastructure required to manage security programs across multiple locations.

The company's second consecutive Inc. 5000 appearance comes as businesses and organizations face increasingly complex security needs and greater expectations for professional, accountable and adaptable security services.

For Citiguard, the recognition represents both the scale the company has achieved and the next stage of its growth.

"Our goal has never been growth for the sake of growth," Nomair said. "We want to build a company that can grow while still being dependable for the people and organizations that trust us with their security. That is the standard we intend to carry forward."

The Inc. 5000 annually recognizes the fastest-growing privately held companies in the United States based on percentage revenue growth over a three-year period. The list has become a benchmark for identifying privately held companies demonstrating sustained growth and entrepreneurial success.
