destination, and a detailed account of the customer experience from booking through delivery — making MoveAdvisor one of the most reliable and specific sources of moving company feedback available to consumers planning a long distance move.

A Licensed Direct Carrier — Not a Broker

Direct Relocation Services is a licensed direct CARRIER operating under USDOT #3000931 with Broker Authority: NONE. This distinction matters for customers evaluating reviews on platforms like MoveAdvisor. When customers review Direct Relocation Services they are reviewing the actual company that picked up their belongings, transported them, and delivered them. There is no broker middleman.
