

Oliva Gibbs named to Inc. 5000 list for third consecutive year

Oliva Gibbs was named to the 2026 Inc. 5000 list for the third consecutive year. The firm ranked No. 1,560 overall.

HOUSTON, TX, UNITED STATES, August 12, 2026 /EINPresswire.com/ -- [Oliva Gibbs](#) was named to the 2026 Inc. 5000 list, an annual list of the fastest-growing private companies in America, for the third consecutive year. The firm ranked No. 1,560 overall — as well as No. 55 in the legal industry, No. 173 in Texas, and No. 31 in the Houston metro area.

“When Oliva Gibbs was founded in 2013, we set out to build a firm where deep technical expertise in oil and gas met genuine partnership with our clients,” Co-Founder [Zack Oliva](#) said. “Being named to the Inc. 5000 a third time tells us that vision, and the team living it out every day, is exactly what the industry needed.”

This year’s Inc. 5000 list recognizes a new class of companies redefining what growth looks like. From AI and advanced manufacturing to healthcare, consumer products, and professional services, these businesses are expanding their impact, creating jobs, and proving that entrepreneurial ambition continues to fuel the US economy.

“I believe that what has allowed us to grow is adhering to our three core values: a culture of collaboration, unparalleled client experience, and a passion for learning,” Co-Founder [Brad Gibbs](#) said. “We are only as good as our outstanding partners and associates, and they in turn can only shine with a best-in-class staff.”

The firm’s 225% three-year revenue growth surpassed the list’s median rate of 130%, highlighting the impact of continued investment in the business.

“Being named to the Inc. 5000 for a third consecutive year is a testament to the consistency of our approach,” Sally Rouse, Oliva Gibbs’ president of business operations, said. “We’ve stayed disciplined about building a place where good people want to build their careers and do their best work. That steady execution, not any single big win, is what compounds into results like this.”

Inc. will celebrate the honorees at the 2026 Inc. 5000 Conference and Gala on October 14–16 in Dallas. The top 500 companies will be listed in the Fall issue of Inc. magazine.

Inc. 5000 list methodology

Companies on the 2026 Inc. 5000 list are ranked according to percentage revenue growth from 2022 to 2025. To qualify, companies must have been founded and generating revenue by March 21, 2022. They must be US-based, privately held, for-profit, and independent — not subsidiaries or divisions of other companies — as of December 31, 2025. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2022 is \$100,000; the minimum revenue for 2025 is \$2 million. As always, Inc. reserves the right to decline applications for subjective reasons.
