

Kuvings Highlights Commercial Model Lineup at 'CAFERES JAPAN 2026'

TOKYO , JAPAN, August 13, 2026
/EINPresswire.com/ -- Premium kitchen appliance brand [Kuvings Japan](#) announced its successful participation in 'CAFERES JAPAN 2026,' held at Tokyo Big Sight from August 4 to 6.

CAFERES JAPAN is Japan's largest specialized exhibition showcasing the latest products and services across the cafe, bakery, and dessert industries. Every year, global companies and industry professionals gather at the event to explore new business opportunities.

At this year's exhibition, Kuvings Japan highlighted its core commercial product lineup, featuring the [Professional Auto Blenders CB850](#) and CB980, alongside the [Commercial Juicer Chef CS600](#).

Visitors are sampling juice at the Kuvings booth.

The CB850 and CB980 are high-performance commercial blenders designed with powerful blending capabilities and ultra-quiet technology.

The Commercial Juicer CS600 is an optimized cafe juicer featuring a professional-grade motor and slow-squeeze technology to ensure stable, continuous juicing performance over extended periods.

Engineered specifically for commercial environments like cafes and restaurants, the CS600 features a wide 88mm feeding chute and a robust motor capable of seamlessly juicing a wide variety of whole fruits and vegetables. Throughout the event, the Kuvings booth attracted numerous visitors through live product demonstrations and tasting sessions.

"CAFERES JAPAN 2026 provided a great platform to introduce Kuvings' commercial lineup and advanced technology to the Japanese market while engaging directly with industry leaders," said a Kuvings official. "Moving forward, we plan to expand our presence in global exhibitions to strengthen connections with food and beverage professionals worldwide."

Kuvings is a global kitchen appliance brand specializing in the development and manufacturing of premium juicers and blenders.
