

Synergy Gravitas Acquires Perpetual Technologies to Strengthen Enterprise Capabilities

UNITED ARAB EMIRATES, August 12, 2026 /EINPresswire.com/ -- Synergy Gravitas has acquired [Perpetual Technologies](#), a GCC based technology and digital services firm. The acquisition brings proven capabilities in enterprise IT services, AI-assisted workflow development, and structured data operations into the Synergy Gravitas Group. The transition of all operations and client engagements has now been completed.

Perpetual Technologies has served enterprise and SME clients across IT infrastructure, process automation, and technology consulting. Over its years of operation, the company developed internal capabilities in AI-enabled document processing and structured enterprise workflow tooling. All existing client engagements and operations will continue under the Synergy Gravitas Group.

About Synergy Gravitas

Synergy Gravitas is a Middle East based enterprise group focused on technology services and AI-enabled workflow solutions. The company serves enterprise and institutional clients across the GCC region.

About Perpetual Technologies

Perpetual Technologies is a Dubai-based technology and digital services firm working with enterprises across the GCC on IT infrastructure, workflow automation, and digital transformation initiatives. More on the transition at perpetualtech.co/announcement.
