CUT FREE: A Hells Angel's Ride to Redemption Book Tour

Daniel Sidler of Catamont, LLC, shared his thoughts about CUT FREE: "Getting Joby's story into the hands of readers is about so much more than selling a book. Through the book tour and the incredible work our Public Relations team is doing, we're creating opportunities for Joby's story of redemption to reach people who desperately need hope. Our prayer is that CUT FREE will open doors into places and communities that are often difficult to reach, and ultimately that God will use Joby's story to change lives."

Joby Walters, former Hells Angels, encourages people from all walks of life to get involved in his written devotionals and stories by the campfire. "Hi Friends, Joby here.

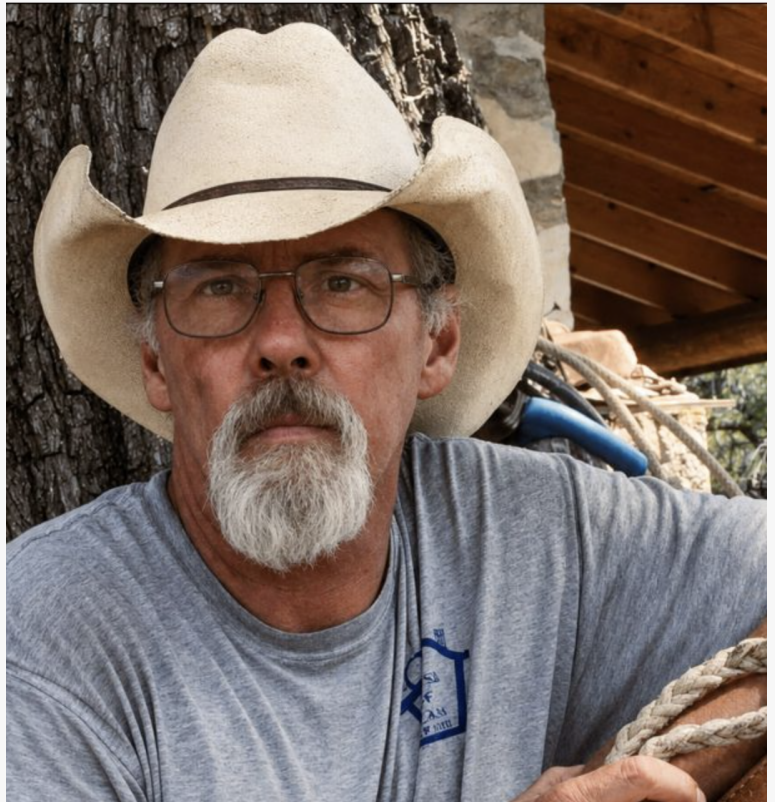

Welcome to my mission. My story is a bold reminder of God's provision, power, mercy, and grace no matter the circumstance. I know it will encourage you, strengthen your faith, and I guarantee you're going to love the journey. Incarcerated. Addict. Gangster. Sinner. Nobody is beyond saving. Nobody. If God could save me, He can save anybody. Until CUT FREE is released on September 22, my team and I are asking God to grow an army of people passionate about reaching some of the darkest places in our nation with the light of the gospel of Jesus Christ."

About Joby Walters:

Joby Walters has lived a life that few could imagine. Once an enforcer for the Hells Angels Motorcycle Club, he was personally patched in by legendary founder Sonny Barger and spent years immersed in one of the world's most notorious outlaw brotherhoods. His life was marked by violence, unwavering loyalty, and a relentless pursuit of freedom on the open road.

But Joby's greatest journey began when he encountered the grace of Jesus Christ. Leaving behind the only life he had ever known, he discovered a freedom that no motorcycle club could offer. Today, he dedicates his life to sharing that message of hope with prisoners, bikers, veterans, and anyone searching for a second chance.

Joby Walters, former Hells Angels, encourages people from all walks of life to get involved in his written devotionals and stories by the campfire.

In CUT FREE, Joby tells his remarkable true story with unflinching honesty—revealing both the darkness of his past and the redemption that transformed his future. More than a memoir, it is a testament that no one is beyond the reach of God's grace.

When he's not speaking or sharing his testimony, Joby enjoys the outdoors, including his lifelong passion for hunting with hounds, and continues to encourage others to find the same freedom that forever changed his life.
