New Concert Experience Celebrates the Songs, Stories, and Legacy of One of America's Greatest Songwriters; Tickets On Sale Now

LOS ANGELES, CA, UNITED STATES, August 12, 2026 /EINPresswire.com/ -- Producers Right Angle Entertainment and Maple Tree Entertainment today announced The Billy Joel Legacy: A Tribute Experience national tour will visit more than 35 cities across the U.S., launching September 17 in Stamford, Connecticut at The Palace Theatre. From the acclaimed creative team behind The Simon & Garfunkel Story and The Life and Music of George Michael, this all-new concert experience celebrates one of the most influential singer-songwriters in music history through faithful live performances, stunning multimedia, and the remarkable stories behind the songs that have created generations of fans. Tickets are on sale now and available at www.BillyJoelLegacy.com.

The Billy Joel Legacy: A Tribute Experience is more than a concert. Through live performances, cinematic multimedia, and captivating narration, audiences will journey through the defining moments of Billy Joel's life to discover the people, places, and experiences that inspired some of the greatest songs ever written.

"The music of Billy Joel has an incredible ability to connect with audiences across generations," says creator and director Dean Elliott. "Whether you grew up with these songs or you're hearing them for the first time, they tell stories that feel deeply personal. We wanted audiences to experience the journey behind the music and celebrate one of the greatest songbooks ever written."

Stepping into the role of Billy Joel is singer, pianist, and actor Ian Benjamin, whose lifelong connection to Joel's music began as a teenager and has remained a constant throughout his

career.

"Billy Joel's music has been part of my life for as long as I can remember," says Benjamin. "His songs are honest, heartfelt, and incredibly relatable. That's why they've connected with generations of listeners. It will be an honor to step on stage each night and celebrate the music and the stories that mean so much to me, and so many others."

Audiences will sing along to beloved classics including "Piano Man," "Scenes from an Italian Restaurant," "New York State of Mind," "Uptown Girl," "Movin' Out (Anthony's Song)," "Vienna," "We Didn't Start the Fire," and many more. Enhanced by multimedia projections, the production celebrates the songs that defined generations while revealing the stories that made them timeless.

Billy Joel has sold more than 160 million records worldwide, won six GRAMMY Awards, and been inducted into both the Rock & Roll Hall of Fame and Songwriters Hall of Fame. He is also the recipient of the Kennedy Center Honors and the Library of Congress Gershwin Prize for Popular Song.
