Tampa-based home services agency posts 130% three-year revenue growth, earning back-to-back recognition among America's fastest-growing private companies.

TAMPA, FL, UNITED STATES, August 12, 2026 /EINPresswire.com/ -- Grow Nearby, a digital marketing agency serving the home services industry, has earned the No. 2,500 spot on the 2026 Inc. 5000, the annual ranking of America's fastest-growing private companies. The recognition marks the agency's second consecutive appearance on the prestigious list, following its 2025 debut at No. 1,653.

The Inc. 5000 list is compiled annually by Inc. Magazine and is considered one of the most prestigious benchmarks of entrepreneurial success in the United States. Past honorees include companies such as Microsoft, Meta, Chobani, Under Armour, Timberland, Oracle, and Patagonia. Grow Nearby's return to the list reflects 130% three-year revenue growth from 2022 to 2025, achieved through its work helping home services businesses including HVAC, plumbing, electrical, roofing, and landscaping companies expand their online visibility and customer base.

"Being named to the Inc. 5000 for a second year in a row means even more than the first," said Mandeep Bhalla, CEO, Grow Nearby. "It shows our growth isn't a fluke; it's the result of a team that shows up for our clients every single day. We're proud to keep building alongside the home service businesses that trust us with their growth."

This year's honorees generated more than \$385 billion revenue and collectively created over

We congratulate all honorees on this significant achievement."

Inc. will celebrate this year's honorees at the 2026 Inc. 5000 Conference & Gala, taking place October 14–16 in Dallas, Texas. The top 500 companies will be featured in the Fall issue of Inc.
