

Miles IT Recognized as a Clutch Global Leader for Summer 2026

Miles IT, a global IT services and software development company, was recognized by Clutch as a top B2B company for IT Services and Custom Software Development.

FL, UNITED STATES, August 12, 2026 /EINPresswire.com/ -- Miles IT, a global IT services and software development company, is proud to announce its recognition as a 2026 Summer Clutch Global Award winner for IT and Software Development services by Clutch, the leading global marketplace of B2B service providers. Honorees are selected through Clutch's proprietary Ability to Deliver methodology, which evaluates companies based on verified client feedback, industry expertise, and overall market presence.

Miles IT was named a Summer 2026 Clutch Global Award winner in Cloud Security, Network Security, and Threat Intelligence, one of nearly 500 companies recognized across IT services and software development categories. This award reflects Miles IT's continued commitment to delivering exceptional results for clients and its reputation for technical excellence.

“

We're honored to be recognized for the great work we've done. We feel that this award reflects our team's dedicated efforts and commitment to outstanding service.”

Clutch Global Awards represent the highest level of recognition on the platform, reserved for the top 15 companies in each category worldwide.

“We're honored to be recognized for the great work we've done,” said Chris Miles, CEO of Miles IT. “We feel that this

award reflects our team's dedicated efforts and commitment to outstanding service."

"The best IT and development partners do more than build software. They help businesses solve complex challenges, adapt to change, and create lasting value," said Mike Beares, Founder and CEO of Clutch. "This summer's Clutch Global winners have consistently delivered exceptional outcomes for their clients, earning recognition through proven expertise and trusted client relationships."

Miles IT is dedicated to providing responsive IT services and reliable custom software solutions to companies all over the world. The company focuses on delivering an exceptional client experience and helping people accomplish more.

In addition to this Clutch award, Miles IT has also been recognized as a CloudTango Top Managed Service Provider in the US (2026) and a USA Today Top Workplace (2025).
