

Spiceology Named to Inc. 5000 List of Fastest-Growing Private Companies for The Seventh Time

This recognition underscores Spiceology's continued growth and commitment to culinary innovation.

SPOKANE, WA, UNITED STATES, August 13, 2026 /EINPresswire.com/ -- [Spiceology](#), the chef-founded spice company and flavor innovation leader, has been named to the 2026 Inc. 5000 list, a prestigious ranking that recognizes the fastest-growing private companies in America. The list is the most prominent ranking of the nation's most successful independent and entrepreneurial businesses, listing companies that have achieved remarkable growth while driving innovation, creating jobs, and shaping the future of the economy. Past honorees include companies such as Microsoft, Meta, Chobani, Oracle, and Patagonia.

"We're incredibly proud to be included on the Inc. 5000 for the seventh time," said Darby McLean, CEO of Spiceology. "Our growth has always been driven by the simple belief that great food starts with great flavor. We've built Spiceology around bringing chef-level creativity and quality to every kitchen, and this recognition is a testament to the team, our culinary community, and the customers who continue to invite us into their kitchens."

This year's Inc. 5000 recognizes a new class of companies redefining what growth looks like. From AI and advanced manufacturing to healthcare, consumer products, and professional services, these businesses are expanding their impact and proving that entrepreneurial ambition continues to fuel the U.S. economy.

"Every company on the Inc. 5000 has a story of perseverance, smart decision making, and a refusal to sit still," says Mike Hofman, editor-in-chief of Inc. "Their growth reflects more than strong financial performance—it reflects creativity, resilience, and the customer focus required to build companies that make a lasting impact."

Inc. will celebrate the honorees at the 2026 Inc. 5000 Conference & Gala, taking place October 14–16 in Dallas, Texas, and the top 500 will be listed in the Fall issue of Inc. Magazine. Tickets are on sale now.
