

LA Wash & Chill Launches Crowdfunding Campaigns to Bring Laundry Services to Downtown Los Angeles

Voluntary donation campaigns on GoFundMe, GiveSendGo & FundRazr aim to help fund a hybrid “brick & click” laundry platform for Downtown LA’s 80,000 residents.

LOS ANGELES, , CA, UNITED STATES,
August 14, 2026 /EINPresswire.com/ --
FOR IMMEDIATE RELEASE

Los Angeles, CA — August 14, 2026 —
LA Wash & Chill, a community-focused
hybrid laundry startup, today
announced voluntary donation

campaigns on [GoFundMe](#), [GiveSendGo](#), and [FundRazr](#) to help cover the early startup costs of its
planned launch in Downtown Los Angeles — a neighborhood where access to nearby
laundromats is very limited relative to its population of roughly 80,000 residents.

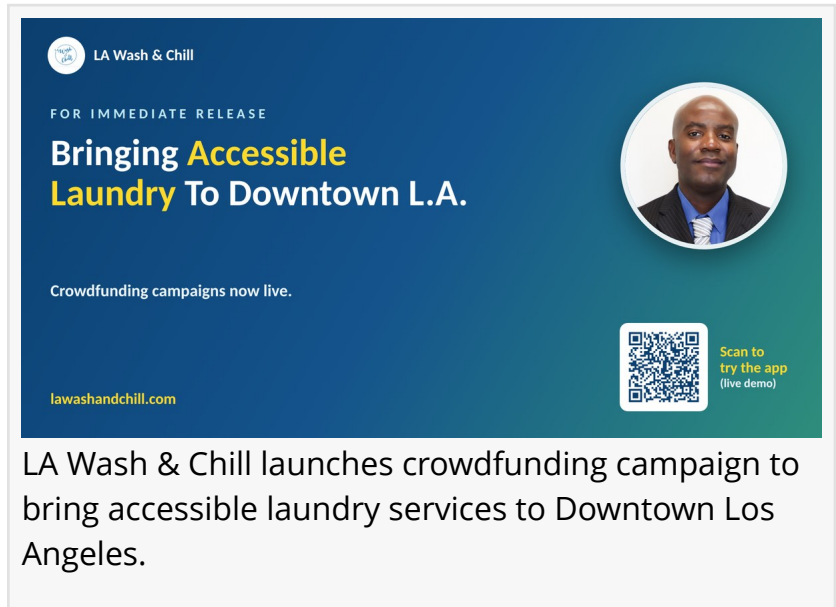

“

Laundry isn't a luxury — it's
a necessity. Downtown LA's
residents deserve clean,
convenient, accessible
laundry close to home, and
we're building it.”

*Foras Aje, Founder & CEO, LA
Wash & Chill*

Downtown Los Angeles is one of the most densely
populated neighborhoods in Southern California, yet many
residents face an often-overlooked challenge: very limited
access to clean, convenient, and affordable laundry
facilities. For renters and residents without in-unit washers
— a significant share of the Downtown LA population — a
reliable laundromat is an essential everyday resource.
Notably, Founder and CEO Foras Aje — a Downtown LA
resident of more than 20 years — asked Los Angeles City
Planning whether any City rules would prohibit the project,

and City Planning verified that a laundromat is a permitted “personal services” use at Downtown
LA sites, with no citywide restriction standing in the way.

Therefore, LA Wash & Chill is being built to help close that gap through a hybrid “brick & click” model that pairs a mobile app with physical neighborhood locations. Its planned offering includes:

- App-based pickup and delivery for laundry and dry cleaning (dry cleaning fulfilled through licensed partner facilities)
- Clean, modern self-service laundromat locations
- Planned purified drinking water at each location, subject to the required California permits
- Local jobs created through in-house operations

About the Campaigns

The donation campaigns run in parallel on GoFundMe, GiveSendGo, and FundRazr, with a combined goal of \$300,000 across all three platforms (an aggregate target, not a separate goal for each). Funds are received as donations are made and are intended to help cover legal and regulatory setup; operational infrastructure (website and app development, bookkeeping, and payroll); business development and outreach; and a modest founder operational salary during the early phase — all intended to be processed through an independent third-party payroll and bookkeeping provider for transparency and accountability.

All contributions are voluntary. No equity, securities, financial return, or ownership interest of any kind is offered or implied. LA Wash & Chill is a for-profit California corporation; donations are not tax deductible, and no tax receipt will be issued. LA Wash & Chill is an early-stage business in development, and there is no guarantee that any location will open.

Support the campaigns (voluntary donations): GoFundMe, GiveSendGo, and FundRazr. Learn more at lawashandchill.com.

About LA Wash & Chill

LA Wash & Chill (Los Angeles Wash & Chill, a California Corporation, d/b/a “LA Wash & Chill”) is a community-focused, technology-enabled laundry startup in development for Downtown Los Angeles. It combines digital convenience with accessible neighborhood locations to expand access to everyday essentials, create local jobs, and modernize laundry care in an underserved urban community.
