

Interluxe Auctions Announces Online Auctions for Two Exceptional Colorado Front Range Estates

Bidding opens August 31 for two acreage-rich properties with panoramic Front Range views, exceptional privacy, and convenient access to greater Denver.

DENVER, CO, UNITED STATES, August 17, 2026 /EINPresswire.com/ -- Interluxe Auctions, the leading online luxury real estate auction marketplace, announces separate online auctions for The Stone Pointe Estate in Castle Rock and The Mountain View Estate in Sedalia. Previously listed at \$4.83 million and \$3.78 million, respectively, both properties will open with a \$1.5 million starting bid. Bidding begins Monday, August 31, 2026, at 9:00 a.m. MDT.

Together, the estates showcase two distinct expressions of Douglas County luxury, with each property offered through at online auction.

"It is unusual for buyers to have access to two properties of this quality in the same market at the same time. One is designed around recreation and entertaining, while the other is purpose-built for equestrian living, giving buyers a rare opportunity to pursue the Colorado lifestyle that best fits them," said Scott Kirk, President of Interluxe Auctions.
