

New Era Home Buyers Surpasses \$60 Million in Colorado Home Purchases During 10th Year in Business

Denver-area, locally owned company buys homes directly from homeowners across the Denver metro for cash, closing fast, since 2016

DENVER, CO, UNITED STATES, August 12, 2026 /EINPresswire.com/ -- [New Era Home Buyers](#), a locally owned Colorado home-buying company, announced today that it has purchased more than \$60 million in residential real estate directly from Colorado homeowners since its founding in 2016, marking its 10th year in business.

Founded and personally led by Brett Johnson, who is licensed with the Colorado Division of Real Estate, New Era Home Buyers buys houses directly from homeowners for cash. The company does not list properties or operate as a traditional real estate brokerage.

“

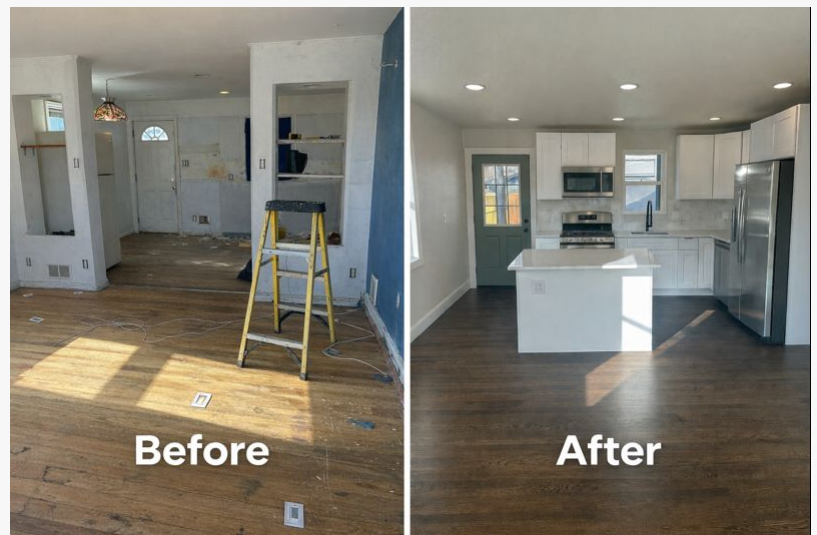

We've built this business around being straightforward with people during what's often a really stressful time.”

Brett Johnson, Owner, New Era Home Buyers

The company works with homeowners facing time-sensitive or complicated selling situations, including inherited properties, homes in foreclosure, tenant-occupied rentals, probate sales, and properties requiring significant repairs. New Era Home Buyers purchases homes as-is, covers all closing costs, and allows sellers to close in as little as seven days.

"We've built this business around being straightforward with people during what's often a really stressful time,"

said Johnson. "Whether someone inherited a house they don't know what to do with, they're

dealing with a tenant situation, or the house just needs more work than they can take on, our job is to give them a fair, honest option and let them move at their own pace."

New Era Home Buyers holds an A+ rating with the Better Business Bureau and maintains a 5.0-star customer rating across dozens of customer reviews. The company is a member of the Denver Metro Chamber of Commerce and serves homeowners throughout Denver, Aurora, Centennial, Lakewood, Littleton, Parker, and surrounding communities across the Front Range.

New Era Home Buyers bases its [cash offers](#) on in-person property visits conducted by Johnson and his knowledge of Colorado's local real estate markets. The company buys exclusively within Colorado.

The company works with local title companies to close transactions and does not require financing contingencies. Sellers are not required to make repairs or prepare their homes for showings before selling.

"A lot of homeowners don't realize they have an alternative to listing," Johnson said. "We're not trying to replace real estate agents. For the right situation, listing is still the better move. But for homeowners who need speed, certainty, and a straightforward process, we're able to offer that."
