

Mentavi Health Named Among West Michigan's 2026 Best Places to Work by Crain's Grand Rapids Business

GRAND RAPIDS, MI, UNITED STATES, August 14, 2026 /EINPresswire.com/ -- Mentavi Health announced today that it has been named to the Crain's Grand Rapids Business 2026 list of [Best Places to Work in West Michigan](#). Based in Grand Rapids, Mentavi provides evidence-based diagnosis and online mental health care and has continued to grow its team and footprint in West Michigan while supporting patients and partners in communities across the U.S.

At Mentavi, the work of expanding access to evidence-based mental health care is closely tied to a workplace culture built on trust, accountability, and shared purpose. This recognition reflects the culture Mentavi has worked to build across its team, through an approach that values meaningful work, professional trust, and a shared investment in the communities Mentavi serves.

"We believe people do their best work when they feel supported, respected, and connected to the work they do," said [Keith Brophy](#), CEO of Mentavi Health. "We are grateful to Crain's Grand Rapids Business for this recognition and even more grateful to our team for creating the kind of culture it represents."

Mentavi Health has been named to the Crain's Grand Rapids Business 2026 list of Best Places to Work in West Michigan.

Mentavi Health provides evidence-based online mental health care across most U.S. states. Its Diagnostic Evaluation for adult ADHD, validated in The Journal of Clinical Psychiatry, supports assessment of anxiety, depression, and related conditions.

Mentavi has continued to grow from its Grand Rapids roots while staying focused on building a workplace where people feel supported in doing meaningful, mission-driven work. This honor reflects not only Mentavi's growth, but also the intention behind the environment it has worked to create for its team.

[Bailey Fetterley](#), Director of Human Resources at Mentavi Health added, "a strong workplace culture is shaped in the small moments as much as the big ones. We want people at Mentavi to feel supported in their work, connected to one another, and proud of what they are building here."

The Best Places to Work in West Michigan program recognizes organizations for their workplace culture and employee experience. The program's evaluation process was conducted in partnership with Best Companies Group, an independent research firm that has specialized in identifying and recognizing outstanding employers since 2004. The rankings were revealed by Crain's Grand Rapids live on August 13, 2026, during a celebratory luncheon in West Michigan.

About Mentavi Health

Founded in 2018 as ADHD Online, and recognized as part of Michigan Celebrates Small Business's 2022 "50 Companies to Watch" cohort, Mentavi Health provides evidence-based online mental health care in most U.S. states, for adults (18+), guided by rigorous clinical and regulatory standards. Its Diagnostic Evaluation (for ages 6+) is clinically validated for the diagnosis of ADHD in adults against an in-person clinical interview, with results published in The Journal of Clinical Psychiatry (2025). The Diagnostic Evaluation is also used by licensed clinicians to support assessment of other mental health conditions, including anxiety and depression. Mentavi delivers affordable, evidence-based care, offering diagnostic evaluations and access to additional care options delivered by licensed clinicians. Guided by clinical rigor, accessibility, and trust, Mentavi helps adults connect to evidence-based mental health care. Availability varies by state. Learn more at mentavi.com.
