

Rob Levine Law Brings Backpack Giveaway to Worcester, Partners with Polar Park for Family Event

Rob Levine Law will give away 1,000 free backpacks filled with school supplies at a family festival at Polar Park in Worcester, MA, on Sunday, August 23.

WORCESTER, MA, UNITED STATES, August 13, 2026 /EINPresswire.com/ -- With the new school year approaching, [Rob Levine Law](#) is helping Worcester families cross one big expense off their back-to-school list. The personal injury law firm will host a Family Fun Fest at Polar Park on Sunday, August 23, from 4 to 7 p.m., giving away 1,000 free backpacks loaded with school supplies to local kids in kindergarten through fifth grade — no cost, no registration, no strings attached.

Backpack Giveaway

“

Every child deserves to start the school year feeling confident and prepared, not worrying about supplies. We're proud to support Worcester families as students head back to school.”

Rob Levine

For many households, the start of school comes with a hidden price tag. Between notebooks, binders, pencils and everything in between, families can spend hundreds of dollars per child just to get their kids ready for day one. Rob Levine Law's Backpack Giveaway — now an annual tradition across Massachusetts and Rhode Island — is built to take some of that pressure off, one backpack at a time.

Backpacks will be handed out on a first-come, first-served basis while supplies last and will come stocked with core essentials, including pencils, notebooks and binders, so kids can walk into their first day of school prepared.

The celebration goes well beyond backpacks. As the official sponsor of the Worcester Red Sox, Rob Levine Law is bringing that partnership to life at Polar Park. The afternoon will also include:

- Face painting
- Carnival games
- Live music from a DJ
- Food trucks
- Clowns and balloon animals
- Giveaways and surprises throughout the day

The Backpack Giveaway reflects a philosophy that runs through everything Rob Levine Law does, both in and out of the courtroom:

communities are strongest when their members look out for one another. For

a firm built on standing up for families after an injury or accident, investing directly in local kids' education is a natural extension of that same client-first, community-first mission.
