NASHVILLE, TN, UNITED STATES, August 18, 2026

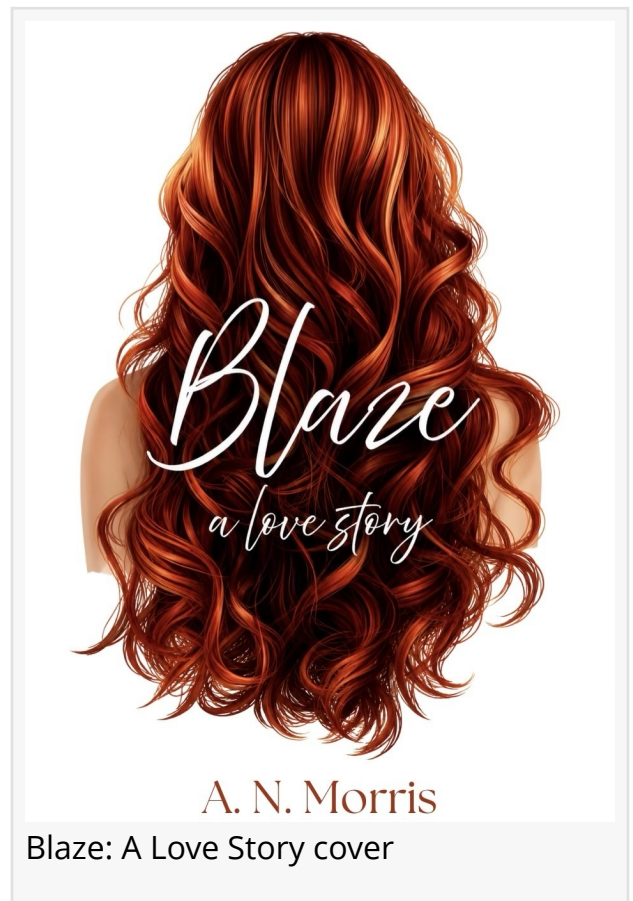

/EINPresswire.com/ -- In a city known for its rhythms of longing and redemption, two wounded souls discover that true healing often begins with choosing trust—and that love, in all its depth, can be one of God's quietest miracles.

Blaze: A Love Story, the debut novel by author and professional book editor A.N. Morris, is now available. This emotionally resonant, contemporary love story exploring Christian faith, trauma, trust and restoration, follows book editor Amanda as she encounters bookstore owner David. What begins as an unexpected sense of safety blossoms into a profound journey of confronting past trauma, mental health struggles, and the complexities of learning to trust again.

Blending tender connection with authentic explorations of faith, trauma recovery, and redemptive intimacy, Blaze speaks to readers seeking stories that honor the full reality of healing—body, mind, and spirit—within the covenant of marriage. The narrative celebrates the transformative power of grace, forgiveness, and committed love without shying away from life's harder truths.

"I wanted to write about what it means to be truly seen after you've spent years protecting yourself. Amanda's story is not about forgetting what happened to her. It's about discovering that what happened does not have to own everything that comes next."

Written with sensitivity and emotional honesty, the novel will resonate with readers of faith-based fiction and inspirational women's fiction who appreciate nuanced portrayals of resilience, enduring love, spiritual healing, and trauma recovery. Drawing from her experience as a book editor and her own Christian faith, Morris delivers a polished, heartfelt debut that points toward
