

Condado Furnished-Apartment Building Opens Winter Availability for 30-Day to 12-Month Stays

Ten furnished two- and three-bedroom apartments across from Condado Beach open winter and spring dates for professionals relocating to Puerto Rico.

SAN JUAN, PUERTO RICO, August 13, 2026 /EINPresswire.com/ -- KTJ Krug LLC has opened winter and spring availability across its ten-unit [furnished apartment building](#) at 56 Calle F Krug in Condado, San Juan, offering stays from thirty days to twelve months for professionals [relocating to Puerto Rico](#).

The building serves a need familiar to anyone who has moved to the island: arrivals often want a fully equipped home base while they search for a permanent residence, and neither a hotel stay nor an unfurnished annual lease fits that window. Each two- and three-bedroom apartment comes furnished with a full kitchen, fiber internet service, battery backup power, and a water cistern, in a building directly across the street from Condado Beach and minutes from San Juan's banking and professional services corridor.

The flexible-term structure has drawn relocating professionals of many kinds, including new residents arriving under Puerto Rico's [incentives programs](#), remote workers, and families between homes. Pets are welcome under the building's pet policy.

Furnished 30-day to 12-month extended stays in Condado, San Juan, Puerto Rico.

The first 90 days in Puerto Rico: arrive, base in Condado, explore neighborhoods, close on a permanent home.

"Most of our long-stay tenants are starting a chapter, not taking a vacation," according to the management office of KTJ Krug LLC. "They arrive to an apartment where the internet, the power, the kitchen, and the address already work, and they use their first months here for everything else."
