

Arthur Lawrence Named to the 2026 Inc. 5000 List of America's Fastest-Growing Private Companies

HOUSTON, TX, UNITED STATES, August 13, 2026 /EINPresswire.com/ -- [Arthur Lawrence](#) today announced it has been ranked No. 4014 on the [2026 Inc. 5000 list](#), the annual list of the fastest-growing private companies in America. The list is the most prestigious ranking of the nation's most successful independent and entrepreneurial businesses, recognizing companies that have achieved remarkable growth while driving innovation, creating jobs, and shaping the future of the economy. Past honorees include companies such as Microsoft, Meta, Chobani, Oracle, and Patagonia.

"Growth of this kind is not the objective; it is evidence. Over the past two decades, our teams have helped Fortune 500 and Global 2000 organizations deliver transformation programs and build the internal capability to sustain them, and the revenue simply followed the work. We are in our 24th year of business, and across talent acquisition and IT, finance and accounting services and healthcare, and the practices we have built alongside them, the standard has not changed. I am proud of Arthur Lawrence and of the teams who have held that standard."

Wajid Mirza, Co-Founder & Managing Partner, Arthur Lawrence

This year's Inc. 5000 recognizes a new class of companies redefining what growth looks like. From AI and advanced manufacturing to healthcare, consumer products, and professional services, these businesses are expanding their impact, creating jobs and proving that entrepreneurial ambition continues to fuel the U.S. economy. Among the 5,000 companies on the list, the median three-year revenue growth rate was 130%, and those companies have collectively added more than 627,208 jobs to the U.S. economy over the past three years.

"Every company on the Inc. 5000 has a story of perseverance, smart decision-making, and a refusal to sit still," says Mike Hofman, editor-in-chief of Inc. "Their growth reflects more than strong financial performance—it reflects creativity, resilience, and the customer focus required to

build companies that make a lasting impact. We congratulate all honorees on this significant achievement.”

Inc. 5000 List Methodology
