

West Sussex Estate Agents, HomedIn, Launch A Monthly Charity Draw for Clients Who Review Their Services

HORSHAM, WEST SUSSEX, UNITED KINGDOM, August 14, 2026

/EINPresswire.com/ -- HomedIn, an estate agency covering [West Sussex](#) and south Surrey from their [Horsham](#) and [Southwater](#) offices, has launched a monthly charity draw for customers who leave the company a review - with the agency aiming to encourage feedback and reward it accordingly.

Each month, one reviewer is picked at random from the 5 most recent Google Reviews and chooses a charity for HomedIn to support on their behalf.

These names are drawn out from a hat, and the winner is asked to name a charity of their choice. HomedIn then donates to that charity on the winner's behalf. To mark each donation, HomedIn presents an oversized lottery-style cheque, showcasing the winning charity and donation amount, which is then shared across HomedIn's social media channels at the end of each month.

James Bush, founder of HomedIn, comments: "We just wanted to thank the customers who take time out to review us - which is so important for any local business - and to champion a cause that actually means something to them. Each month it's a different charity, and it's always interesting to hear the story behind each choice."

HomedIn's first beneficiary of this charity draw was the Marie Curie Cancer Foundation, chosen by a homebuyer in Horsham, to whom the agents donated £73.67. The new draw is an extension of HomedIn's Helping Hand pledge, which commits £75 from every completed property sale to a charity cause.

The positive response to this first charity draw has now encouraged the team to make it a monthly practice. James comments: "We've been involved with various community initiatives

over the years, from sponsoring the Southwater Royals football team earlier this year to providing a new storage shed for a local school. The positive responses we get are always a huge encouragement. This motivates us to continue with our charity draw and keep making an impact."
