

Altered Ego Tattoo Studio Named 2026 Best of Michigan Award Winner

CHESTERFIELD, MI, UNITED STATES, October 5, 2026 /EINPresswire.com/ -- Altered Ego Tattoo Studio, a custom tattoo and body piercing studio in Chesterfield, has been named a 2026 Best of Michigan Award winner, recognizing the studio's commitment to quality artistry, rigorous safety standards, and a client experience that keeps people coming back for their next piece. The award reflects the trust the studio has built with clients across Macomb County and beyond, one appointment at a time.

The studio's approach centers on treating every visit as personal, whether that's a first-time client nervous about a small piece or a longtime customer adding to a collection built over years. Alongside custom tattoo work, Altered Ego offers professional body piercing, fine and high-quality body jewelry, and child ear piercing services, pairing each with detailed aftercare guidance so clients know exactly how new work should be cared for as it heals. Consultations are treated as a genuine part of the process, giving clients room to talk through placement, sizing, and design before any needle touches skin.

That attentiveness extends well beyond the appointment itself. The studio maintains rigorous cleanliness and sterilization standards throughout its space, a priority the team considers non-negotiable regardless of how simple or elaborate a piece may be. Altered Ego also offers gift certificates and custom-design consultations for clients still developing their next idea, making the studio as welcoming to someone celebrating a milestone as it is to a longtime regular. It's a philosophy the team sums up simply: Your Story. Your Style. Your Ink. Every certificate, consultation, and piercing appointment folds back into that same idea.

"Every client walks in with their own story, and our job is to help them wear it well," said Kacey Grant, part owner of Altered Ego Tattoo Studio. "This recognition means a lot because it reflects the standard our whole team holds itself to every single day, from the first consultation to the final piece."

Looking ahead, Altered Ego Tattoo Studio plans to keep building on that standard, expanding its custom design offerings and continuing to invest in the training and equipment behind its safety record, all while staying rooted in the same values that earned it the 2026 Best of Michigan Award. For a studio built on turning personal stories into lasting artwork, the recognition is one more chapter worth telling.
