

Efficiency Heating & Cooling Recognized for Trusted Home Comfort Solutions With 2026 Consumer Choice Award

SASKATOON, SASKATCHEWAN,
CANADA, August 18, 2026

/EINPresswire.com/ -- Consumer Choice Award is proud to announce that Efficiency Heating & Cooling has been named the 2026 Consumer Choice Award winner in the Air Conditioning & Heating Contractor category. This recognition reflects the company's commitment to dependable service, expert workmanship, and keeping homes and businesses comfortable throughout every season.

Locally owned and operated since 1985, Efficiency Heating & Cooling has proudly served Saskatoon and surrounding communities with professional heating, cooling, and electrical services. For four decades, the company has built its reputation by providing reliable repairs, preventative maintenance, and quality installations backed by knowledgeable technicians and exceptional customer care.

“

We're proud to serve our community with honest advice, dependable workmanship, and heating and cooling solutions that keep families and businesses comfortable year-round.”

“Receiving the Consumer Choice Award is an incredible honour and a reflection of the trust our customers have placed in us over the years,” said the Efficiency Heating & Cooling team. “We're proud to serve our community with honest advice, dependable workmanship, and heating and cooling solutions that keep families and businesses comfortable year-round.”

What sets Efficiency Heating & Cooling apart is its commitment to providing complete home and business comfort solutions. Rather than focusing

on one service, the company offers comprehensive heating, air conditioning, and electrical expertise, allowing customers to work with one trusted contractor for their residential and commercial needs.

Whether responding to an unexpected breakdown, performing preventative maintenance, or installing a new energy-efficient HVAC system, the experienced team focuses on delivering prompt service, quality

workmanship, and recommendations tailored to each customer's property and budget. This customer-first approach has earned the company lasting relationships built on trust and reliability.

After nearly 40 years in business, Efficiency Heating & Cooling continues to combine local expertise with dependable service and professional craftsmanship. By putting customers first and standing behind every job, the company remains a trusted choice for heating, cooling, and electrical services throughout the Saskatoon region.

The Consumer Choice Award is based on independent market research evaluating reputation, customer satisfaction, and overall excellence. Efficiency Heating & Cooling's selection as the 2026 winner highlights its continued dedication to outstanding service and excellence in the HVAC industry.
