

Prialto Makes the Inc. 5000 List of Fastest-Growing Private Companies for Sixth Year in a Row

PORTLAND, OR, UNITED STATES, August 13, 2026 /EINPresswire.com/ -- [Prialto](#), a leading provider of managed subscription staffing and virtual assistant services, is proud to announce its inclusion in the 2026 Inc. 5000 list of the fastest-growing private companies in America for the sixth year in a row. The list is the most prestigious ranking of the nation's most successful independent and entrepreneurial businesses, recognizing companies that have achieved remarkable growth while driving innovation, creating jobs, and shaping the future of the economy.

This prestigious recognition underscores Prialto's continuous dedication to growing its employees and their opportunities to provide exceptional administrative services to businesses worldwide.

"Making the Inc. 5000 six years in a row isn't luck — it's a Prialto habit," says Eric Taussig, Prialto's Co-Founder and CEO. "We don't chase growth for its own sake. Growth is the natural result of every Prialtoan amplifying the people around us: our members, our team, their families and communities. That positive amplification is the engine, and this list is proof it's running strong. Congratulations, Prialto!"

This year's Inc. 5000 recognizes a new class of companies redefining what growth looks like. From AI and advanced manufacturing to healthcare, consumer products, and professional services, these businesses are expanding their impact, creating jobs and proving that entrepreneurial ambition continues to fuel the U.S. economy. Among the 5,000 companies on the list, the median three-year revenue growth rate was 130%, and those companies have collectively added more than 627,208 jobs to the U.S. economy over the past three years.

"Every company on the Inc. 5000 has a story of perseverance, smart decision making, and a refusal to sit still," says Mike Hofman, editor-in-chief of Inc. "Their growth reflects more than strong financial performance—it reflects creativity, resilience, and the customer focus required to build companies that make a lasting impact. We congratulate all honorees on this significant achievement."
