

IntraTEM's Alex Dukhovny to Join CIO and CISO Leaders at HMG Strategy's Atlanta Summit

Dukhovny will speak on the Innovation Accelerator Panel at HMG Strategy's 17th Annual Atlanta Summit, addressing the biggest challenges facing IT leaders today.

LOS ANGELES, CA, UNITED STATES, August 13, 2026 /EINPresswire.com/ -- [IntraTEM](#), a technology expense management (TEM) company serving CIOs and IT and finance leaders at mid-market and enterprise organizations, announced that [Alex Dukhovny](#), Executive Vice President, will participate as a panelist at [HMG Strategy's](#) 17th Annual Atlanta C-Level Technology Leadership Summit on August 20, 2026, at the InterContinental Buckhead Atlanta.

The summit, themed "Iconic Leadership," brings together regional CIOs, CISOs, and senior technology executives for a day of discussion on artificial intelligence disruption, cybersecurity and risk strategy, and the evolving role of IT leadership. HMG Strategy has built a reputation for convening influential technology executives at events like this one, drawing CIOs and CISOs from across the region for candid conversations on the challenges shaping enterprise IT.

Dukhovny will join the Innovation Accelerator Panel at 11:20 a.m., where he and fellow panelists will discuss the biggest challenges IT leaders face today, why visibility into technology environments alone is not enough, and practical strategies to simplify technology management at scale.

IntraTEM's Alex Dukhovny joins the panel at the 17th Annual Atlanta C-Level Technology Leadership Summit

"Technology leaders today are managing more complexity than ever, across cloud, mobility, and telecom environments, often without full visibility into what they're actually spending or why," said Dukhovny. "I'm looking forward to sharing perspective on how CIOs can move past visibility alone and take full responsibility for managing that complexity."

IntraTEM works with CIOs and finance leaders to bring clarity and full responsibility to technology expense management across telecom, mobility, and cloud and SaaS spend, helping organizations identify savings and reduce administrative burden through a human-led, service-first approach.

Regional technology executives attending HMG Strategy's Atlanta summit or interested in connecting with Alex Dukhovny at the event can reach out directly ahead of August 20th.
