

IBA Group Publishes 2026 CSR Report

IBA Group submits its 2026 Corporate Responsibility (CSR) Report to the United Nations Global Compact web portal

PRAGUE, CZECH REPUBLIC, August 17, 2026 /EINPresswire.com/ -- On July 31, [IBA Group](#) submitted its [2026 Corporate Responsibility \(CSR\) Report](#) to the United Nations Global Compact web portal. Subsequently, the company published the report on its websites. The CSR report includes a message from the IBA Group Chairman and CEO Sergei Levteev, as well as Managing the Company, Developing a Sustainable Business, Implementing Innovations, Making Responsible Decisions, and Appendices sections.

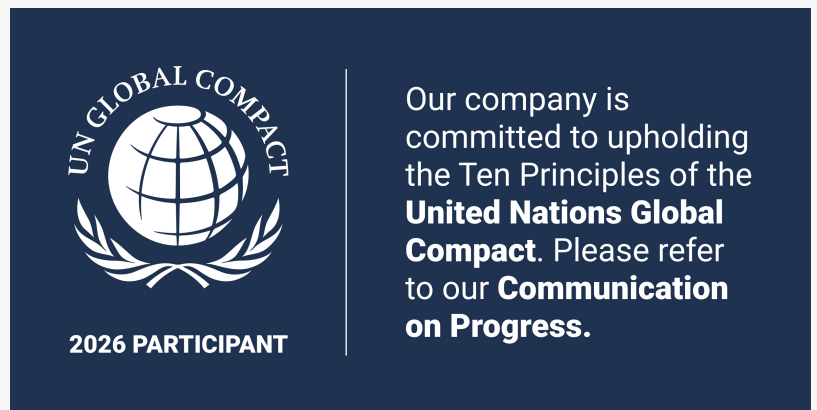

In 2018, IBA Group became a signatory of the United Nations Global Compact (UNGC), the world's leading voluntary corporate social responsibility initiative with over 25,000 total participants from more than 160 countries. As a signatory of the United Nations Global Compact (UNGC), IBA Group is committed to the UNGC Ten Principles and the United Nations Sustainable Development Goals (SDGs), and submits annual reports on progress that the company has taken to implement the UNGC principles in each of the four issue areas (human rights, labor, environment, and anti-corruption).

“

For more than 30 years, IBA Group has been supporting its employees, customers, and communities.”

*Sergei Levteev, IBA Group
Chairman & CEO*

The Managing the Company section of the 2026 CSR Report covers a high-level overview of the IBA Group business, its mission, vision, and values, as well as organizational structure and business ethics. The Developing a Sustainable Business section is about IBA Group's contribution to the UN SDGs and sustainability management. The Making Responsible Decisions section

features environmental protection, employee support, IT education, and charity and inclusivity activities by IBA Group. In addition, the Report contains statistical data, case studies, and an IT industry overview.

In the message from the IBA Group Chairman, Levteev says, "For more than 30 years, IBA Group has been supporting its employees, customers, and communities. This year also reinforced the importance of collaboration. We entered into new partnership agreements, and worked closely with clients and partners to turn the IT sector in a powerful catalyst for a more sustainable future. On behalf of the leadership team, I would like to thank our employees, customers, partners, and stakeholders for their continued trust and support. Together, we will continue building a smarter and more sustainable future."
