

Glenmar Heating & Air Conditioning Ltd Wins Consumer Choice Award for Air Conditioning and Heating Contractor in Halifax

HALIFAX, NOVA SCOTIA, CANADA, August 24, 2026 /EINPresswire.com/ -- Consumer Choice Award is proud to announce that Glenmar Heating & Air Conditioning Ltd has been named the 2026 Consumer Choice Award winner in the Air Conditioning and Heating Contractor category for Halifax. This recognition reflects the company's long-standing reputation for quality workmanship, reliable service, and customer satisfaction across the region.

With over 29 years of experience in the HVAC industry, Glenmar Heating & Air Conditioning Ltd has built its business on delivering efficient, dependable heating and cooling solutions tailored to the needs of homeowners. The company is widely recognized for its expertise in heat pump installation and service, working with trusted systems such as Daikin and Panasonic to ensure long-term performance and comfort.

“

Winning the Consumer Choice Award is a meaningful recognition of the trust our customers place in us and the consistency of our service over the years.”

Glenmar specializes in modernizing home heating systems, including the removal of oil furnaces and the installation of energy-efficient alternatives. As more homeowners seek sustainable and cost-effective solutions, the company has become a trusted provider of ductless split heat pump systems, helping clients improve energy efficiency while maintaining year-round comfort.

“At Glenmar Heating & Air Conditioning, our focus has always been on providing reliable systems and standing behind our work,” said the Glenmar Heating & Air Conditioning team. “Winning the Consumer Choice Award is a meaningful

recognition of the trust our customers place in us and the consistency of our service over the years.”

In today’s evolving energy landscape, homeowners are placing greater importance on efficiency, sustainability, and long-term savings. Heat pump systems continue to play a key role in this shift, offering both heating and cooling capabilities while reducing reliance on traditional oil-based

systems. Glenmar’s experience in transitioning homes to these modern systems positions the company as a valuable partner for homeowners looking to upgrade their comfort and energy performance.

Beyond installation, Glenmar Heating & Air Conditioning Ltd is committed to servicing its own customers, ensuring systems continue to operate at peak performance. This ongoing support has helped the company build strong, long-term relationships within the Halifax community.

The Consumer Choice Award is based on independent market research that evaluates businesses on reputation, customer satisfaction, and overall excellence within their category. Glenmar Heating & Air Conditioning Ltd’s selection as the 2026 winner highlights its leadership in the HVAC industry and its continued commitment to delivering high-quality service.
