Supply Chain Trailblazer, recognizing her leadership, mentorship and industry impact.

TAIPEI, TAIWAN, August 17, 2026 /EINPresswire.com/ -- [Catherine Chien](#), Chairwoman of [Dimerco Express Group](#), has been named a Trailblazer winner of the

2026 Women in [Supply Chain](#) Forum™ Award. Presented by Food Logistics and Supply & Demand Chain Executive, the award recognizes female supply chain leaders and executives whose accomplishments, mentorship and examples set a foundation for women at all levels of a company's supply chain network.

Chien joins this year's honorees in a program focused on the people helping shape the future of supply chain. The Trailblazer category recognizes leaders whose careers and

example are helping broaden the industry's view of who can lead, contribute and advance in supply chain roles.

Chien said the recognition reflects the importance of creating opportunities for others to grow within the industry.

“Leadership is not only about what we achieve ourselves, but about creating opportunities for others to grow, contribute and lead,” said Catherine Chien, Chairwoman of Dimerco Express Group. “I'm honored to receive this recognition and to be part of an industry that continues to open more doors for the next generation of women in supply chain.”

The 2026 award program received more than 300 submissions, including 70 self-submissions—the highest number of self-nominated applications in the history of the award—and 44 submissions from male counterparts, also a record for the program. The result is a group of honorees recognized for making a difference across the supply chain and helping make industry opportunities more visible to the next generation.

“This award isn’t just a way to honor females in supply chain. It’s a representation of progress, it’s a symbol of growth, and it’s a way to celebrate achievements of all women in the supply chain who continue to pave the way for the next generation,” says Marina Mayer, editor-in-chief of Food Logistics and Supply & Demand Chain Executive and co-founder of the Women in Supply Chain Forum™.

The 2026 Women in Supply Chain Forum™ will honor this year’s winners, including the Top 4 overall category winners, Nov. 17-19 in Charleston, South Carolina. The in-person event is designed to provide education, networking and mentorship for women in the supply chain community.
