

Dator Youth Initiative Announces First Outreach Partnership With MJB Cares Foundation

ANTIPOLO, RIZAL, PHILIPPINES, August 17, 2026 /EINPresswire.com/ -- The [Dator Youth Initiative \(DYI\)](#), a nonprofit focused on youth empowerment in Antipolo, Rizal, today announced its first outreach partnership with MJB Cares Foundation. Taking place in August 2026, the joint activity will connect young people and families with community-based support while creating new opportunities for volunteers, donors, and local advocates to participate.

A Community-Rooted Partnership

The collaboration represents a new stage in the growth of the 'Dator Youth Initiative'. Founded to provide a practical outlet for helping people in Antipolo, DYI develops programs around local needs and encourages residents to take an active role in community service.

Its partnership with MJB Cares Foundation will bring together shared resources, volunteer support, and community relationships. The outreach is designed to strengthen engagement with the young people and families served by the Initiative while introducing its mission to a broader network of supporters.

The August program also creates an accessible path for individuals who are interested in giving back. Community members can support the Initiative by volunteering, contributing resources, sharing program information, or connecting DYI with potential partners.
