

Joymind Named No. 785 on 2026 Inc. 5000 List, Most Prestigious Ranking of America's Fastest-Growing Private Companies

Joymind Recognized for 441% Three-Year Revenue Growth, Earning a Place Among the Nation's Most Successful Independent Businesses.

MIAMI, FL, UNITED STATES, August 14, 2026 /EINPresswire.com/ -- Joymind today announced it

“

We started Joymind five years ago with one mission: make hypnotherapy accessible nationwide, and help more people understand just how powerful it really is”

Michael Pipman, CEO and Co-Founder of Joymind

has been ranked No. 785 on the 2026 Inc. 5000 list, the annual list of the fastest-growing private companies in America. The list is the most prestigious ranking of the nation's most successful independent and entrepreneurial businesses, recognizing companies that have achieved remarkable growth while driving innovation, creating jobs, and shaping the future of the economy. Past honorees include companies such as Microsoft, Meta, Chobani, Oracle, and Patagonia.

Founded in 2021, Joymind marks its fifth anniversary this year as the largest 1:1 virtual hypnotherapy platform in the

United States. The company earned its ranking with 441% three-year revenue growth from 2022 to 2025, more than three times the Inc. 5000 median of 130%. On this year's list, Joymind also placed No. 94 among healthcare and medical companies.

Clients come to Joymind for real, everyday reasons - working through relationship issues, quitting smoking, breaking unwanted habits, letting go of fears and everyday stress, and unwinding from the overwhelm of a busy life - and, above all, for personal development. Each client works one-on-one with a certified hypnotherapist in structured programs built around one idea: lasting change begins in the subconscious mind.

"We started Joymind five years ago with one mission: make hypnotherapy accessible nationwide, and help more people understand just how powerful it really is" said Michael Pipman, Co-Founder and CEO of Joymind. "Five years and 40,000 sessions later, being named on the Inc. 5000 is an incredible milestone - but what we're really celebrating is the impact behind that growth: every client who found more freedom and joy in their life, every hypnotherapist who helped make that possible, and every member of our team who believed in the mission and

helped build Joymind into what it is today."

This year's Inc. 5000 recognizes a new class of companies redefining what growth looks like. From AI and advanced manufacturing to healthcare, consumer products, and professional services, these businesses are expanding their impact, creating jobs and proving that entrepreneurial ambition continues to fuel the U.S. economy. Among the 5,000 companies on the list, the median three-year revenue growth rate was 130%, and those companies have collectively added more than 627,208 jobs to the U.S. economy over the past three years.

"Every company on the Inc. 5000 has a story of perseverance, smart decision making, and a refusal to sit still," says Mike Hofman, editor-in-chief of Inc. "Their growth reflects more than strong financial performance - it reflects creativity, resilience, and the customer focus required to build companies that make a lasting impact. We congratulate all honorees on this significant achievement."

Inc. will celebrate the honorees at the 2026 Inc. 5000 Conference & Gala, taking place October 14-16 in Dallas, Texas, and the top 500 will be listed in the Fall issue of Inc. Magazine.

Inc. 5000 List Methodology

Companies on the 2026 Inc. 5000 are ranked according to percentage revenue growth from 2022 to 2025. To qualify, companies must have been founded and generating revenue by March 31, 2022. They must be U.S.-based, privately held, for-profit, and independent-not subsidiaries or divisions of other companies-as of December 31, 2025. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2022 is \$100,000; the minimum for 2025 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons.
