While rooted in Chicagoland, Total Truck Branding serves fleet clients nationwide, with recent projects completed for companies in Indiana, Iowa, Arizona, Wisconsin, and Colorado.

“

We are incredibly proud to hold the title of Chicagoland's top-rated fleet wrap company this August”

Mario Lekovic, CEO

As local businesses expand their mobile advertising footprints, Total Truck Branding has distinguished itself from competitors by maintaining an unblemished satisfaction record. While other major regional wrap shops hold ratings between 4.6 and 4.9 stars, Total Truck

Branding is the only high-volume fleet specialist in the region to hold a perfect 5.0 score across hundreds of reviews as of August 2026.

"We are incredibly proud to hold the title of Chicagoland's top-rated fleet wrap company this August," said Mario Lekovic, the CEO of Total Truck Branding. "A fleet of vehicles is a company's most visible billboard. Our team treats every box truck, semi-trailer, and cargo van with meticulous attention to detail. This perfect rating reflects our commitment to using premium materials, delivering durable installations, and keeping our clients' trucks on the road making money."

Total Truck Branding has built its reputation by focusing exclusively on commercial fleet graphics.

Unlike general automotive styling shops, its Elk Grove Village facility is engineered to handle heavy-duty commercial demands. Its services include:

Custom Fleet Graphic Design — Developing high-impact brand designs tailored specifically to vehicle dimensions.

Heavy-Duty Vinyl Wraps — Premium, weather-resistant materials built to withstand harsh Midwest winters, road salt, and UV exposure.

Partial Wraps & Decals — Cost-effective, scalable branding solutions for growing local service fleets.

Large-Scale Turnaround — Efficient production timelines engineered to minimize vehicle downtime for corporate clients.

The company's Elk Grove Village location allows it to seamlessly service commercial accounts across Cook, DuPage, Kane, Lake, Will, and McHenry counties, serving as a primary branding partner for logistics firms, construction fleets, and local service providers throughout Chicagoland. Total Truck Branding's reach extends well beyond the region, however, with fleet clients across the country turning to the company for wraps and graphics — including businesses based in Indiana, Iowa, Arizona, Wisconsin, and Colorado.
