

Dec-O-Art to Debut at NATDA Trailer Show

Dec-O-Art, a family-owned label printing company with more than 50 years of manufacturing experience, will exhibit at the 2026 NATDA Trailer Show.

ELKHART, IN, UNITED STATES, August 18, 2026 /EINPresswire.com/ -- Dec-O-Art, a family-owned label printing company with more than 50 years of manufacturing experience, will exhibit for the first time at the 2026 NATDA Trailer Show, September 1-3 at Music City Center in Nashville, Tennessee.

The NATDA Trailer Show is the industry's largest and most established annual event for light- to medium-sized trailer dealerships, featuring six football fields of new trailers, parts, and technology.

Dec-O-Art has served the trailer industry for more than three decades.

Its first-time presence on the show floor reflects the company's continued commitment to serving the trailer industry and building stronger connections with trailer dealers, manufacturers, and other industry professionals.

For Dec-O-Art, the move from member to exhibitor creates a new opportunity to meet directly with trailer manufacturers, dealers and other industry professionals around an area that touches nearly every finished trailer: labeling.

"After being part of NATDA for more than a decade, we're looking forward to being on the show floor for the first time and having more conversations with the trailer community about the labeling and compliance issues they encounter every day," said Alexis Sindle, Sales Operations Manager.

At Booth #943, Dec-O-Art will debut its new funny [warning-label](#) collection. Show attendees can also meet with Dec-O-Art Label Experts to discuss compliance, branding, custom-label, and product-identification needs.

Based in Elkhart, Indiana, Dec-O-Art provides custom labels, [compliance labels](#), and product-identification solutions, with specialized resources for the trailer, RV, marine, truck equipment, and manufactured-housing industries.
