O'Connor Injury Law hosted a free ticket giveaway and celebrated Irish spirit at Staten Island University Hospital Community Park

STATEN ISLAND, NY, UNITED STATES, August 14, 2026 /EINPresswire.com/ -- O'Connor Injury Law served as the presenting sponsor of Irish Heritage Night at the Staten Island FerryHawks game held Saturday, July 25th, at Staten Island University Hospital Community Park. The firm's sponsorship joined Irish pride, live baseball, and a fireworks show to fans celebrating the borough's Irish heritage.

The personal injury law firm gave away 100 free tickets ahead of the game, offering up to four tickets per household through a giveaway on the firm's website. It's the kind of hometown gesture the firm has become known for on Staten Island, where turning out for the community is as much a part of the practice as the casework.

"Irish Heritage Night means a little extra to me personally," said Brian O'Connor, founder of O'Connor Injury Law. "Getting to celebrate my heritage with my own community, and put free tickets in the hands of local families, made for a night I was simply grateful to be part of."

Following the event, the [FerryHawks organization thanked](#) O'Connor Injury Law for its role in making the night possible, recognizing the firm as presenting sponsor alongside the team's other community partners.
