

# Tranquility Cremation Launches New Website to Better Serve Families Across Southern Ontario

*New platform adds online obituaries, urn shopping and Kinwood memorial films while connecting families across seven Southern Ontario communities.*

MISSISSAUGA, ONTARIO, CANADA, August 14, 2026 /EINPresswire.com/ -- Tranquility Cremation provides [direct cremation](#), direct burial, and pre-planning services to families across Southern Ontario. The company has launched a newly redesigned website, giving families in Mississauga, Hamilton, Brantford, Cambridge, Niagara, Georgetown, and Simcoe a clearer way to find information, honour a loved one, and connect with the team closest to them.

The updated platform reflects the company's commitment to being present where families need them most, not just in person, but online, and at every stage of the process. Alongside the redesign, Tranquility Cremation is introducing two new features: an online [obituaries section](#) and a new memorial film service created with Kinwood.

Families can now browse and purchase urns, cremation jewelry, and other memorial products through Tranquility Cremation's new online shop.

## Serving Seven Communities Across Southern Ontario

Tranquility Cremation currently serves families through seven locations across the region. The new website brings all of those communities together under one platform, making it easier for families to find the location nearest to them and reach the team directly.

Communities currently served include:

- Mississauga - (905) 855-7565

- Hamilton - (905) 777-1700
- Brantford - (519) 757-1654
- Cambridge - (519) 650-1565
- Niagara - (905) 378-2044
- Georgetown - (519) 929-0839
- Simcoe - (226) 765-1654

Each location page gives families clear contact information and direct access to services. Whether a family is in a smaller community like Simcoe or a larger city like Mississauga, the experience on the new platform is consistent and straightforward.

Online Obituaries for Families Across Mississauga, Hamilton, Brantford, Cambridge, Niagara, Georgetown, and Simcoe

The busiest part of our site remains the obituaries section. For nearly 15 years, families and friends across all seven Tranquility Cremation locations have used this page to search current obituaries, read service details, and leave a condolence or share a memory directly on the page.

For many people, this has become an important part of grieving together. Friends who cannot attend a service in person in Hamilton, Brantford, or any other community can still read the obituary, see the arrangements, and leave a message of support for the family. It keeps each community connected at a time when connection matters most.

Families working with Tranquility Cremation can view and manage obituaries for their loved ones at [tranquilitycremation.com/obituaries](https://tranquilitycremation.com/obituaries).

Now You Can Buy Urns and Cremation Jewelry Online

With our new website, we're also launching new features, and the main one is the ability to buy urns directly online. Families can now browse and purchase urns, cremation jewelry, and other memorial products right through our new [shop](#), without needing to visit a location in person.

Available categories include biodegradable urns and scatter tubes, caskets, companion urns, cremation jewelry, keepsake urns, urn vaults, and traditional urns.

It's a simple new way to choose a meaningful tribute for a loved one from home, adding another layer of convenience to a platform already built around making a difficult time a little easier.

New Partnership: Celebration of Life with Kinwood

Tranquility Cremation has also partnered with Kinwood to launch Celebration of Life with Kinwood, a new memorial film service available to families at every Southern Ontario location.

Kinwood creates 20 to 30 minute documentary-style tribute films that bring together the people who knew a loved one best. Using guided, zoom-style interviews combined with family photos, home videos, and personal keepsakes, Kinwood builds a lasting film that can be played at a Celebration of Life or shared privately with family and friends who live far apart, from Niagara to Georgetown and beyond.

It is a meaningful option for families who want to preserve a life story in a way that goes beyond a single service. The finished film comes with a shareable webpage, a secure portal for family photo uploads, and a hard drive with the final film and raw footage, so the memories are never lost.

Families across Mississauga, Hamilton, Brantford, Cambridge, Niagara, Georgetown, and Simcoe can learn more about Celebration of Life with Kinwood at [tranquilitycremation.com/kinwood-cloud-films](https://tranquilitycremation.com/kinwood-cloud-films).

### Direct Cremation, Direct Burial, and Pre-Planning Across Southern Ontario

Tranquility Cremation continues to offer direct cremation, direct burial, and pre-planning at each of its seven Southern Ontario locations.

Direct cremation is a straightforward, affordable option for families who want a dignified process without the costs associated with a traditional funeral. It is available across Mississauga, Hamilton, Brantford, Cambridge, Niagara, Georgetown, and Simcoe.

Direct burial provides a respectful, lower-cost burial option handled with the same care as every service Tranquility Cremation offers, and it is also available at every location.

Pre-planning allows individuals to arrange their own services in advance, giving family members peace of mind and one less decision to make during an already difficult time. Families and individuals can start the conversation through any of the seven Southern Ontario locations, or directly through the new website.

### About Tranquility Cremation

Tranquility Cremation provides affordable direct cremation, direct burial, and pre-planning services to families across Southern Ontario. With locations in Mississauga, Hamilton, Brantford, Cambridge, Niagara, Georgetown, and Simcoe, the company is committed to serving families with compassion and transparency.
