NASHVILLE, TN, UNITED STATES, August 15, 2026 /EINPresswire.com/ -- Bible with Life, a Christian media platform known for its Bible story films and original worship music, today announced that its [personalized Scripture blessing songs](https://biblewithlife.com/personalized-scripture-blessing-songs) are freely available at biblewithlife.com. Users choose an occasion and a Bible verse, add the recipient's name, and receive a personalized song they can share with that person at no cost.

“

Most gifts say 'I thought of you.' A blessing song says 'God sees you, by name.'"

*Benny Yu, Founder of Bible with Life*

The service was created for moments when a greeting card feels too small: a friend's birthday, a family member facing illness, a graduate leaving home, a couple's wedding day, or a season of grief. Each song is built around Scripture chosen for the occasion, sung with the recipient's name, and delivered through a private link the sender can text,

email, or post.

"Most gifts say 'I thought of you.' A blessing song says 'God sees you, by name,'" said Benny Yu, founder of Bible with Life. "For thousands of years God's people sang blessings over each other. We wanted to make that tradition possible for anyone with a phone, in about the time it takes to write a card."

Creating and sharing a song is free. Senders who want to keep the song can purchase an MP3 download for \$1.99, which also keeps the song private permanently. The platform currently supports eight occasions, including birthdays, weddings, sympathy, healing, encouragement, graduations, new babies, and anniversaries, each with a curated set of fitting Bible verses.

The blessing songs join Bible with Life's wider library of free faith resources, which includes more than 40 animated Bible story films, a catalog of over 60 original worship tracks, a daily Bible verse email, and a 30-day prayer challenge.

"We are a small team that makes Bible films and worship music every day," Yu added. "The blessing songs came out of that same work. When people started sending them to each other, we knew this was the part of our work that belonged to everyone."

Personalized songs can be created at [biblewithlife.com/send-a-song](https://biblewithlife.com/send-a-song).
