

LAB Windows & Doors Announces Winner of Its GTA Door Giveaway

GTA window and door company completes its door giveaway, awarding a premium ENERGY STAR entry door to Alyssia H. of Milton — installation included

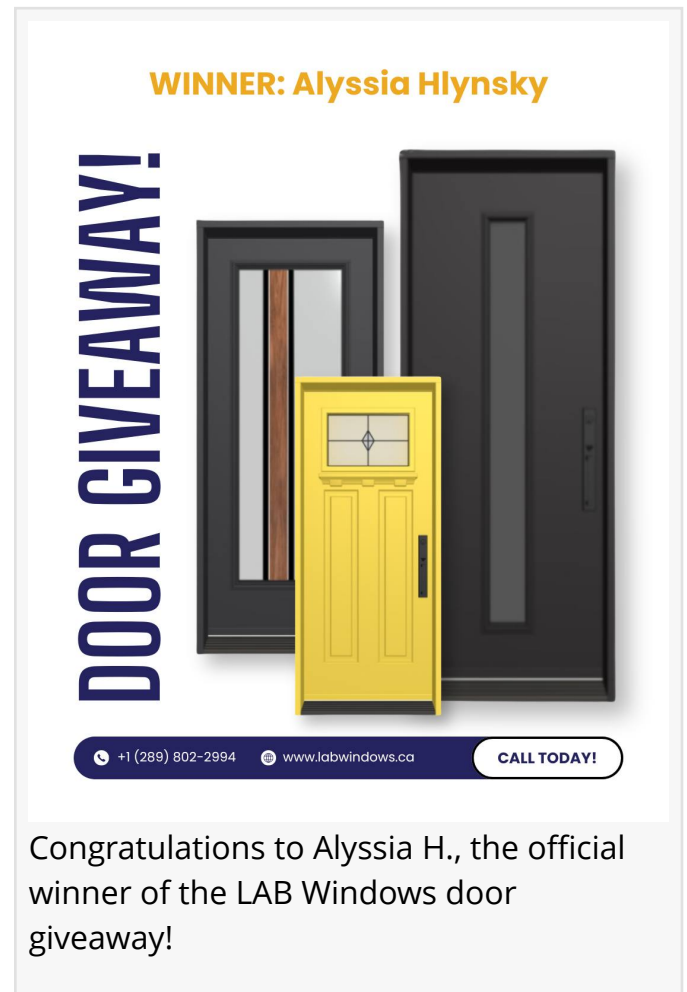

ETOBICOKE, ONTARIO, CANADA, September 15, 2026 /EINPresswire.com/ -- LAB Windows & [Doors](#), the Greater Toronto Area provider of premium ENERGY STAR windows and doors, has announced the winner of its door giveaway: Alyssia H. of Milton, who received a black front door valued at \$3,500, with professional installation included.

The giveaway, which ran from January 27th to March 10th, drew 500+ entries from homeowners across the GTA, including Etobicoke, Mississauga, Milton, Brampton, Oakville, North York and surrounding cities. The winner was selected by random draw on April 7th, 2026.

"Giving away a door was our way of saying thank you to GTA homeowners for trusting us with their homes," said Bobby Bidos of LAB Windows & Doors. "A front door is the first thing guests see and one of the biggest opportunities to cut energy loss — we wanted one lucky homeowner to experience that upgrade on us. Congratulations to Alyssia!"

The giveaway comes during a busy season for the company. LAB Windows & Doors currently helps GTA homeowners access Ontario rebates of \$100 back per window or door unit, alongside seasonal savings on [premium windows and doors](#) — all backed by free quotes and a lifetime warranty. The company specializes in energy-efficient upgrades, including triple-pane windows designed for Ontario winters.
