

Charles Vermont Puts Fit First Across Its Womenswear Collections for Every Shape and Size

SHAW, GREATER MANCHESTER, UNITED KINGDOM, August 16, 2026

/EINPresswire.com/ -- [Charles Vermont](#), an independent ladies' fashion retailer based in Greater Manchester, is putting fit at the

centre of its womenswear offer, helping shoppers of every shape and size find flattering, comfortable styles as an official UK stockist of Robell, Frank Lyman and Dolcezza.

Fit sits at the heart of the retailer's best-selling trouser ranges. Its [Robell Clothing Store & Stockist](#) selection is built around pull-on stretch trousers offered in Bella, Marie and Rose shapes, with a choice of leg lengths alongside capri and fleece-lined options. The company markets Robell as Europe's best-selling trouser brand, known for stretch fabric designed to move with the wearer and hold its shape through the day.

That focus on flattering, wearable cuts extends across the retailer's wider line-up of more than twenty European and Canadian labels. The [Frank Lyman stockist](#) range offers dresses and separates cut for spring and occasion wear, while the Dolcezza clothing collection — which Charles Vermont markets as "wearable art," and of which it is the UK's largest stockist — brings print-led jackets, tops and dresses in easy, forgiving silhouettes.

By carrying a broad spread of sizes, shapes and leg lengths under one roof, the business aims to make it simpler for every woman to find her ideal fit, rather than settling for a single standard cut.
