

Florida Dental Implant Specialists Offers All On 4, Implant Dentures and Zygomatic Implants

Florida Dental Implant Specialists provides All On 4 Dental Implants, Implant Dentures and Zygomatic Dental Implants near Boynton Beach, FL.

BOYNTON BEACH, FL, UNITED STATES, August 17, 2026 /EINPresswire.com/ -- Florida Dental Implant Specialists continues to serve patients across Palm Beach County with a full range of implant-based tooth replacement, including [All On 4 Dental Implants](#), [Implant Dentures](#), and [Zygomatic Dental Implants](#), all completed in a single all-in-one facility.

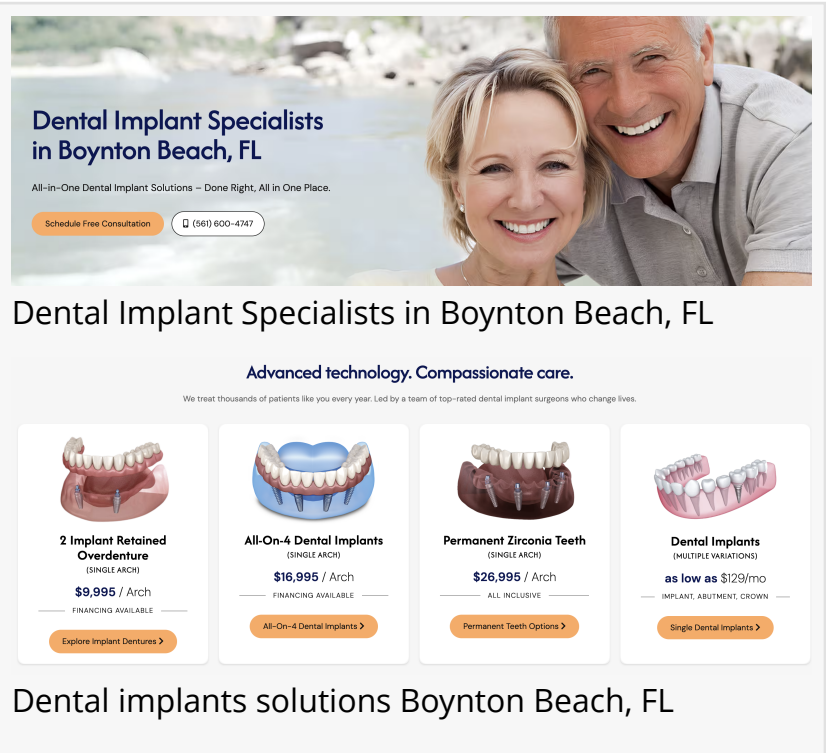

Led by Dr. Marina Shruga and a team of board-certified dental implant surgeons, Florida Dental Implant Specialists treats thousands of patients each year from an on-site facility equipped with 3D CT scanning technology, allowing every case to be planned with precision before treatment begins. Patients complete their consultation, diagnostics, surgery, and final restorations in one location, without referrals to outside specialists.

“

Patients shouldn't have to choose between quality and convenience — we deliver both, often in a single day.”

Dr. Marina Shruga, Florida Dental Implant Specialists

teeth are secured to the implants the same day, allowing many patients to leave the office with fully functioning teeth rather than waiting weeks for a permanent solution.

Implant Dentures

For patients seeking a more affordable, stable alternative to a removable denture, Florida Dental Implant Specialists offers Implant Dentures that anchor a denture to a small number of implants. This option eliminates the shifting and discomfort common with traditional dentures while giving patients a more budget-friendly path than a full arch of individual implants.

Zygomatic Dental Implants

For patients who have experienced significant jawbone loss and are not candidates for traditional implants, Florida Dental Implant Specialists offers Zygomatic Dental Implants, which anchor into the cheekbone (zygoma) rather than the jawbone. This advanced technique allows patients with insufficient bone density to still receive a full-arch implant solution without the need for bone grafting.

Florida Dental Implant Specialists offers zero-down financing and customized payment plans to help make treatment accessible, and its team walks patients through available financing and insurance options prior to treatment.

About Florida Dental Implant Specialists

Florida Dental Implant Specialists, operating as Boynton Dental LLC, is located at 9868 S State Rd 7, Suite 200, in Boynton Beach, FL, and serves patients throughout Palm Beach County, including Delray Beach, Boca Raton, Lake Worth, Lantana, West Palm Beach, and Port St. Lucie. The office is open Monday through Saturday, 9 a.m. to 5 p.m.

Patients seeking All On 4 Dental Implants, Implant Dentures, or Zygomatic Dental Implants in the Boynton Beach area can schedule a free consultation by calling (561) 600-4747 or visiting myfloridaimplants.com.

Why Boynton Beach patients choose our dental care?

All-In-One Location

From your initial consultation and diagnostics to surgery and final restorations, we handle your entire treatment in our facility. This streamlined approach saves you time and ensures consistent care throughout your journey.

Advanced 3D Technology

Our on-site 3D CT scanner gives us a detailed view of your unique anatomy before we even begin. This technology allows us to plan your procedure with incredible precision, leading to more predictable outcomes and faster healing.

Teeth in a Day Promise

We know how important it is to get back to your normal life quickly. That's why many of our patients leave with their new smile the same day as their procedure. No waiting weeks or multiple referrals.
