The night's itinerary will include a Celebrity All Star Polo Match, including icons like the NFL's Tim Johnson, Team USA vs Thailand, and the now-annual International Polo Tour Crypto Cup held in association with FAIM.WORLD. The final game will also be held in memory of Stuart Allen Weinstein-Bacal, an avid polo supporter and friend to the greater DC area who succumbed to cancer this February.

Tareq Salahi, Team Captain and Chairman of the IPT, stated, "Our regular season may be over, but one extraordinary night of polo remains- this celebration carries even greater significance as we honor America's 250th anniversary together and welcome the community back for an evening of sport, culture, and meaningful impact."

The four organizations will work together to ensure the community, sponsors, box seat holders, and polo supporters across Leesburg and the entire DMV area enjoy an experience unlike any other.
