premium operator of [youth baseball travel to the Dominican Republic](#), today announced a partnership with USA Tournament Series that will send USATS teams to the [Dominican Beisbol Experience](#), a six-day travel experience in Santo Domingo, Dominican Republic, February 15–20, 2027. Registration is open now.

The Dominican Beisbol Experience is Passport Sports' flagship youth baseball travel program. Under the partnership, players will travel as a contingent representing the USA Tournament Series in the Dominican Republic. Every roster plays four guaranteed games against Dominican competition and trains alongside a local Dominican baseball academy, anchored by an all-inclusive

resort stay with free airport transfers.

This is not another travel baseball tournament in another city. A typical youth baseball tournament weekend runs field to hotel to field and home again. Here, families travel and stay together, work alongside a Dominican community on a service project, and explore Santo Domingo as visitors rather than as a team passing through a venue. The Dominican Republic produces more Major League Baseball players than any country outside the United States, and the week is built to put players and parents inside that culture: elite competition, cultural immersion, humanitarian work, and a family vacation, all held together by baseball.

“Our players earn something on the field every season, and this gives them a chance to carry it somewhere the game means everything,” said Chris Diver, President and Event Director of USA Tournament Series. “We wanted to give the teams and families who compete in our tournaments a truly unique international baseball experience — and to send a group to the

Dominican Republic that represents everyone who has ever played in the USA Tournament Series.”

“This is a genuine once-in-a-lifetime opportunity for top players around the country to compete, train, and grow in the place where baseball means everything,” said Brennen Flores, Co-Founder of Passport Sports. “From first pitch to farewell dinner, every detail is handled so players and families can focus on the experience.”

Spots are open for 9U/10U, 11U, 12U, 13U, 14U, and high school teams, with players competing at their age as of May 1, 2027. The 11U and 12U divisions are nearly sold out.

Every registration includes:

- * Four guaranteed games against Dominican competition at premier venues
- * Two team practices, including a joint practice with a local Dominican academy
- * Two paid, independent coaches — one a local Dominican coach
- * All-inclusive hotel stay and free Santo Domingo airport transfers
- * A community service event and a group excursion through Santo Domingo
- * A full custom uniform package, from game jerseys to bat bag and helmet
- * The cost is \$1,950 per traveler, and a \$500 deposit secures a player's place. Teams and individual players can register today at play.usatournamentseries.com.
