

Visionet Named to the 2026 Inc. 5000 List of America's Fastest-Growing Private Companies

Recognition reflects Visionet's sustained growth, business momentum, and expanding impact as a global technology services company

CRANBURY, NJ, UNITED STATES, August 17, 2026 /EINPresswire.com/ -- [Visionet](#) today announced its inclusion on the 2026 Inc. 5000, the annual list of the fastest-growing private companies in America. The recognition marks an important milestone in Visionet's growth journey, reflecting the company's continued momentum and ability to evolve with changing enterprise needs.

The Inc. 5000 is the most prestigious ranking of the nation's most successful independent and entrepreneurial businesses, recognizing companies that have achieved remarkable growth while driving innovation, creating jobs, and shaping the future of the economy. Past honorees include Microsoft, Meta, Chobani, Oracle, and Patagonia. Earning a place on this list puts Visionet in the company of the nation's most dynamic and resilient privately held businesses.

"Being named to the Inc. 5000 is a recognition we share with our clients and our teams. Our growth reflects the trust organizations place in Visionet to help them navigate change, transform their businesses, and create meaningful impact. As our clients grow and evolve, we grow alongside them. That has always been fundamental to how we've built Visionet. We're proud of this milestone, and even more focused on the opportunities ahead," said Kamran Ozair, CEO, Visionet.

Visionet's recognition comes as the company continues to expand its capabilities across AI, cloud, digital, data, enterprise modernization, and managed IT services. As enterprises move from AI experimentation toward adoption at scale, Visionet is helping clients modernize technology foundations, embed intelligence across business processes and customer experiences, and translate emerging technologies into measurable business outcomes.

Today, Visionet serves global organizations across retail, banking and financial services, insurance, healthcare and life sciences, and the public sector, combining technology expertise, industry knowledge, and global delivery capabilities to help enterprises navigate complexity and accelerate transformation.

"Every company on the Inc. 5000 has a story of perseverance, smart decision making, and a refusal to sit still," said Mike Hofman, editor-in-chief of Inc. "Their growth reflects more than

strong financial performance—it reflects creativity, resilience, and the customer focus required to build companies that make a lasting impact. We congratulate all honorees on this significant achievement.”
