

Shreveport's Everardo Recendiz Named No. 1 ActionCOACH Business Coach in the United States, No. 7 in the World

Everardo Recendiz, a Shreveport-based certified business and executive coach, named the No. 1 ActionCOACH business coach in the US and No. 7 in the world.

SHREVEPORT, LA, UNITED STATES, August 17, 2026 /EINPresswire.com/ -- Everardo Recendiz, a Shreveport-based certified business and executive coach, has been named the No. 1 ActionCOACH business coach in the United States and No. 7 in the world. His practice was ranked No. 1 in the United States and No. 3 globally.

Recendiz, known throughout Northwest Louisiana as "[Coach Ever](#)" has held a place among ActionCOACH's global Top 100 throughout 2026. He joined the firm in 2009 and has spent 17 years working with business owners in the region.

He came to coaching from the automotive assembly lines of Grupo Antolin, and his career has included roles ranging from Customer Service Coordinator to Vice President of Industrial Operations across industries including construction, skilled trades, financial services, food service and retail. He holds a degree in Industrial Engineering.

For Coach Ever, the motivation is personal. Recendiz watched his own family run a small business into the ground, and he has made it his mission to ensure no entrepreneur faces that journey alone.

"I believe in the power of Faith," Recendiz said. "My team, my tribe, my community demand I pursue excellence and as such it is my responsibility to invest in people and their dreams. Everyone around me is positively impacted by the work we do, and we get it only if you do. We work in bettering ourselves for those who come after us. We pay it forward. That is how we create abundance!"

Recendiz coaches clients toward target profits, helping owners regain control of their time and move past self-imposed limits. Businesses he has worked with have scaled into multimillion-dollar companies. He also shares what he knows beyond his client roster, through workshops, podcasts, and his signature Profit Club program.

That commitment shows up locally. Recendiz serves as Vice Chairman of the board of Cohab, a

Shreveport nonprofit that has supported entrepreneurs in Northwest Louisiana since 2010. He has facilitated Cohab's CEO Roundtables and ActionCLUB programs for more than nine years, serving more than 90 area business owners and, through them, hundreds of local employees.

For Recendiz, the ranking is a byproduct of something larger.

"In ActionCOACH we believe that what we do is Bigger Than Business," Recendiz said. "Behind every installation of our systems is a business owner sleeping better at night. A spouse who sees their partner at the dinner table. A child who gets to grow up with a parent fully present. A leader who finally feels in control. We don't just install systems. We install freedom. We don't just coach companies. We coach people. We don't just drive profits. We drive purpose."

Recendiz celebrated his 50th birthday this year at ActionCOACH's Global Conference in Goa, India.
