

Northland Plastic Surgery Welcomes Dr. Michael Schroeder to Its Team of Surgeons

DULUTH, MN, UNITED STATES, August 17, 2026 /EINPresswire.com/ -- [Northland Plastic Surgery](#), an independent practice serving Northeastern Minnesota, Northwestern Wisconsin, the Upper Peninsula, and Canada since 1992, is pleased to announce that [Michael Schroeder, M.D.](#) joined the practice in August 2026. Dr. Schroeder brings advanced training in both reconstructive and aesthetic plastic surgery, further strengthening Northland Plastic Surgery's ability to serve patients throughout the region.

"We are thrilled to welcome Dr. Schroeder to Northland Plastic Surgery," the practice said in announcing the addition. "His breadth of training, from complex reconstructive microsurgery to the full range of cosmetic procedures, reflects the same commitment to thoughtful, patient-centered care that has defined our practice for more than 30 years."

We are thrilled to welcome Dr. Schroeder."

About Dr. Schroeder

Dr. Schroeder is a board-eligible plastic and reconstructive surgeon with the American Board of Plastic Surgery. Originally from Sioux Falls, South Dakota, he earned his Bachelor of Arts in Chemistry and Mathematics from St.

Olaf College, graduating summa cum laude, before completing medical school at the University of South Dakota Sanford School of Medicine, also summa cum laude. He went on to complete his residency in Plastic & Reconstructive Surgery at The Ohio State University, where he trained extensively at the James Comprehensive Cancer Center, one of the largest cancer hospitals in the country, gaining significant experience in complex reconstruction, including advanced microvascular reconstruction following sarcoma resection and breast cancer surgery.

Dr. Schroeder's clinical interests span the full breadth of plastic surgery, with particular focus on:

- Cosmetic surgery of the breast and body
- Breast reconstruction following cancer
- Craniofacial trauma

He is a published author with peer-reviewed contributions on ear reconstruction, free flap breast reconstruction, postoperative pain management, and wound complications, and has also authored a book chapter on abdominal wall reconstruction.

Outside the operating room, Dr. Schroeder enjoys running, skiing, traveling, exploring new restaurants, and spending time outdoors with his wife and their bernedoodle.

Expanding [Cosmetic Services](#) for the Northland

Dr. Schroeder's arrival expands the practice's capacity to offer its full range of cosmetic services, including:

- Face: Botox, facial fillers, facelift, neck lift, rhinoplasty, eyelid and brow lift, and facial rejuvenation
- Body: Tummy tuck, liposuction, mommy makeover, arm lift, and thigh lift
- Breast: Breast augmentation and breast lift
- Men's Cosmetic Surgery: Chin augmentation, male breast reduction, and more

These procedures are offered alongside Northland Plastic Surgery's reconstructive surgery services and its onsite, full-service Skin Care Center, giving patients a single destination for cosmetic, reconstructive, and skin health needs.
